I would like to thank all those that have helped me in putting this family together.

I started in 1969 and have been working on and off the family till 2016 when I decided it was time to stop and get this info where others could use it.

You will notice there are several different addresses on the family group sheets as have printed them at different times.

As of the 16th of June 2016 the above is my new and hope last address. I moved from upstairs to down stairs as my kids kept after me to not do the steps as may come a time when I couldn't so best to do when I can, and sure glad I took their advise as know in a few years I would never have been able to make that move. I'm heathy now but you never know from day to day what will happen. The only way to live now is from day to day.

This would actually be Book 2.
Book 1 will have info on Winslow and Rachel Cronkhite Russell who we believe are the parents of Barnabus and 2 daughters who married into the Moon family.
Book 3 will have family info on Bresee amd Russell.
The first book I put together on Barnabus Russell in 1993 could be 1st or last.

HUSBAND - Barnabus Russell

BIRTH: It is assumed that he was born between 1795-1800. Assuming he was about 20 if married in 1818 he would have been born 1798. According to info on Find A Grave of his daughter Jane Ann Birch his name was listed as Barnabas R. Russell. Never saw a middle initial before.
One source located an R for middle initial. Not sure about that as have never seen it.

MARRIAGE: Not located marriage licence but have presumed they married in NY or maybe VT, as we don't know yet where they were living before their marriage. The first child's death certificate said she was born 1819 in New York. (Jul 2006) Received info from cemetery cards of Grant Co. WI that listed Jane Potter Russell 1801-21 Jan 1879, unknown cemetery. Could well be his wife. First data on her death to date. Will check court house and paper for more info even mortality schedule.

CHILDREN: It was stated by the oldest daughter in her obituary that she was the eldest of 12 children. The three that are missing probably died young. Have some info on the 9 children but not all complete. Most that were doing research on this family had only the 9 children listed.

HUSBAND - Barnabas RUSSELL-81 (Continued)

DEATH: Have not located a death date but came across a notation in a land record in Delaware Co. IA, when his son in law was selling land in 1853 located in North Fork Twp. E 1/2 of NE qt of Section 32, Township 88, Range 3 W starting 5 rods from Barnabas Russell's grave, and the land was in Delaware Co. IA. Family also said the last son born Feb 1846 was born after his father died and he was raised in WI. (His death cert. says he was born in Dubuque, IA 1846) No one in the area knows anything about the grave or a cemetery in the area that was stated in the land record. No record of his will or estate from Iowa or WI has been located.

Checked land records in Delaware Co. IA again in July 1998 and apparently he didn't own land there so maybe was visiting there when he died but the Delaware Co. IA Probate/Wills index didn't have any reference to Barnabas nor a guardianship record for his younger children. His death and burial place is not stated anywhere but the one land record of his son in law. And to date no one knows anything about a grave marker being there.

PARENTS: Nothing has been located as to who his parents were to date. Only clue we have is one daughter married a 2nd cousin and we know who he was and his parents, but don't know who the fathers parents were. If his grandfather was indeed Mr Pepper, would appear his mother was a Pepper. No marriage of a Pepper and Russel has turned up todate. But need to research more on this.

md. 1 Oct 1795 Hoosick, NY

Others have thought maybe his parents were Winslow Russell and Rachel Cronkrite. He was hanged in 1811 and she died aft 1840. Maybe daughters, Mary and Dorothy who married Moon's and appear to be in same place as Barnabas and family at same time. So far only conjecture. Doesn't appear to have a Pepper connection with them either though.

The first information I had to go on the Russell family was a paper that had been typed and given to me from Deloris Irene Lowe Hays of Loveland, CO in 1973 and she said her family had the info but didn't know where it came from. She is from the same line of Jesse Francis Lowe as I am. I will add the info here as it may be of help later.

"Barnabus Russell was of Highland Scotch parents, his grandfathers name was Pepper. Was killed at the Battle of Bennington Vermont. in the Revolutionary War. (this battle was fought 16 Aug 1777). He was a militia Man. or Minute Man. and the Revolutionary War records at Washington D.C. have no records of any (only regular Colonial soldiers). Barnabus Russell was born, raised and married Jane Potter in Vermont. She (Louise Russell) married David Spencer. first marriage. and Sargent Bresee. second marriage. Rachiel Mariah Russell born in Vermont. and married Hawley Lowe. Jane Ann Russell born in New York. married Francis Van DeWalle. Dorothy Russell born in New York. married Henry Van DeWall. He was born and raised in London Eng. Phoebe Russell married Gould Bresee. Julia Russell married David Burche. Rebeca Russell married James Russell a second cousin. Sylvester Russell unmarried. died in the Union Army. in 1861. burried in Arlington Heights. Virginia. Barnabus Russell Jr. born Feb 3 1857. in Delaware Co. Iowa. raised in Lancaster Wisc."

The only thing so far we have found that is wrong was the birth date of the last child. According to his death certificate he was born Feb 1846 in IA. Also his father had died in 1845-6. Most of the marriages have been located and are correct. So the better part of the document has been found to be right. We just can't find any thing on Sr's parents and nothing on a Pepper line in NY or VT to date. No info on who was killed at the Battle of Bennington but many who fought in that battle were actually from NY and not Vermont. There were many Russells in Rensselaer Co. NY but have not found a connection to ours to date.

CENSUS RECORDS:

1790 Barnabas would have not been born probably.

1800 Barnabas would be up to 5 yrs of age. Prob. with parents could be Rens. Co. NY Winslow Russell m 16/26-1 f- to 10-2 16/26-1 (Could be Barnabas born closer to 1800).

1810 Barnabas would be age 10 to 15 and prob. with parents could be Rens. Co. NY Winslow Russell m- to 10-1 26/45-1 f- to 10-3 26/45-1 Could be Barnabas born closer to 1800- other three dau Mary who md Silas Moon and Dorothy who md Job Moon? Other dau don't know?

Notes

HUSBAND - Barnabas RUSSELL-81 (Continued)

1820 Barnabas Russell would be age 20 to 25 and should be married but no listing of him in his own household in NY index but could be living with someone else.
He could be with his mother Rachel Russell in Rens. Co. NY as she is listed with m-to 10-1 16/26-1 and f- to 10-1 10/16-1 16/26-1 over 45-1. This would fit for Barnbas and Jane and their first two children and youngest dau of Rachel's? Winslow, Rachel's husband died in 1811.

1830 One Barnabas Russell in Lewis Co., Brantingham Twp, NY which fits right age and could be him, although a daughters death certificate said she was born 1829 Cuyohoga Co. OH. Could it have been NY instead, males to 5-2 20/30-1 and females to 5-1 5/10-1 20/30-2 (No Barnabas Russell in OH census) One Rachel Russell 60/70 in Oneida Co. Ny which is right next to Lewis Co.

1840 Summit Co., Tallmadge Twp. OH pg 350 has one Barnabus Russell that believe is ours: males 10/15-1 30/40-1 and females 5/10-2 15/20-2 30/40-1.

1850 Barnabus Russell was deceased and only located his wife in Grant Co. WI. Lancaster Twp. WI pg 22 #315-319 Jane Russell 47 VT., Phebe A. 13 OH, Julia E. 8 IL, Rebecca 6 WI, Barnabas 4 IA. Jane was listed in 1855, 1860 & 1870 Grant Co. WI census with children. 1 son not listed here that was listed in 1840 maybe on his own and we don't have a name for him or he died by 1850?

LAND RECORDS: Have not located any land records in Lewis Co. NY, Summit Co. OH or Coles Co. IL, which is where one daughters death certificate said was born. However it is believed the birth places listed on the death certificates may not be right, since census records puts them in other places, still possible there were not where census says either. Did check in Delaware Co. IA for land records in Jul 1998 and found no record of him owning land there. Did locate land records in Grant Co. WI for Jane Russell up to 1873 when she sold land to her son. Might check Dubuque Co. IA for land records?

COUNTY HISTORYS AND OTHER RESEARCH GUIDES: Have checked many books on county histories and also many Russell family books and have not located any connection to date. Have checked at Salt Lake City for information in their IGI files and ancestor files and have located nothing to date. There are several of us working on this line and so far we have come up with nothing positive.

1844 Barnabus Russell Road Commissioner Coles Co Ill - ct case # 1307

All Speculation at this time on who Barnabas's parents may have been. As we have no proof but some of the circumstancial evidence does begin to look that way. No one seems to have names for Winslow's children but the ages do fit for at least Barnabas, Mary and Dorothy.
However the Pepper grandfather doesn't fit as don't believe Cronkrit was md to a Pepper and none of the Russells have located were md to a Pepper so if in fact he had a grandfather Pepper, we don't know who could have been. All other info handed down from family was right so wonder why this statement would not be right.

WIFE - Jane POTTER-82

BIRTH: To date the only reference to her age is the census records which list 1803-4 as age born. But as of Jul 2006 we had her birth date as 1801 according to her obituary and cemetery record of Lancaster, Grant Co. WI. The census dissagrees as to where, we have from VT to NY to IN. I think we can believe she was probably born in VT or NY. In 1850-60 census her name listed as Jane Russell and 1870 listed as Sarah Russell. Cemetery records listed her name as Jane Potter Russell and land records list Jane Russell so maybe the Sarah is not right.

MARRIAGE: We haven't located the place or date but since first child's death certificate states 1819, would believe they were probably married about 1818, would make Jane about 15-16 and is possible.

DEATH: Had not located a death date or place for the death of Jane but do know it was after 1873 as she sold land to her son in Grant Co. WI in 1873. She was not located in 1880 census so she either had died or was living outside Grant Co. WI at that time. None of the cemeteries in Grant Co. WI have a listing for her burial that I was able to locate. Went on the Grant Co. WI web site and Helen Jentz was listed as having a cemetery card file of all burials in Grant Co. so I wrote to her and asked her if there was any mention of Sarah "Jane" Russell and a week or so later I received an answer from her and she did have a Jane Potter Russell listed in an unknown cemetery and dates would probably be

Notes

HUSBAND - Barnabas RUSSELL-81 (Continued)

1820 Barnabas Russell would be age 20 to 25 and should be married but no listing of him in his own household in NY Index but could be living with someone else.

He could be with his mother Rachel Russell in Rens. Co. NY as she is listed with m-to 10-1 10/2 1-1 and f- to 10-1 10/10-1 1 10/20-1. over 45-1. This would fit for Barnbas and Jane and their first two children and younger dau of Rachel? Winslow, Rachel's husband died in 1811.

1830 One Barnabas Russell in Lewis Co., Brantingham Twp., NY which fits right age and could be him, although a daughters death certificate said s/he was born 1829 Cuyahoga Co. OH. Could it have been NY instead. males to 5-1 20/ 30-1 and females to 5-1 5/10-1 20/30-2 (No Barnabas Russell in OH census) One Rachel Russell 60/70 in Oneida Co. NY which is right next to Lewis Co.

1840 Summit Co., Tallmadge Twp. OH pg 350 has one Barnabus Russell that believe is ours males 10/15-1 30/40-1 and females 5/10-2 15/20-2 30/40-1.

1850 Barnabus Russell was deceased and only located his wife in Grant Co. WI. Lancaster Twp. WI pg 22 # 315-319 Jane Russell 47 VT., Phebe A. 13 OH, Julia E. 8 IL, Rebecca 6 WI, Barnabas 4 IA. Jane was listed in 1885, 1880 & 1870 Grant Co. WI census with children. I son not listed here that was listed in 1840 maybe on his own and we don't have a name for him or he died by 1850?

LAND RECORDS: Have not located any land records in Lewis Co. NY, Summit Co. OH or Coles Co. IL, which is where one daughters death certificate said was born. However it is believed the birth places listed on the death certificates may not be right, since census records puts them in other places, still possible there were not where census says either. Did check in Delaware Co. IA for land records in Jul 1898 and found no record of him owning land there. Did locate land records in Grant Co. WI for Jane Russell up to 1873 when she sold land to her son. Might check Dubuque Co. IA for land records?

COUNTY HISTORYS AND OTHER RESEARCH GUIDES: Have checked many books on county histories and also many Russell family books and have not located any connection to date. Have checked at Salt Lake City for information in their IGI files and ancestor files and have located nothing to date. There are several of us working on this line and so far we have come up with nothing positive.

All Speculation at this time on who Barnabas's parents may have been. As we have no proof but some of the circumstantial evidence does begin to look that way. No one seems to have names for Winslow's children but the ages do fit for at least Barnabas, Mary and Dorothy.

However the Pepper grandfather doesn't fit as don't believe Cornish was mid to a Pepper and none of the Russells have a middle name to a Pepper so it in fact he had a grandfather Pepper, we don't know who could have been. All other who handed down from family was right so wonder why this statement would not be right.

BIRTH: To date the only reference to her age is the census records which list 1803-4 as age born. right 1801-21 Jan 1879 so wrote to LaVon Hall who does research in Grant Co. and have her look to see if anything in the paper for her or a death cert. that I missed. (Jul 2006)
This info had to come from somewhere since maiden name and birth yr also stated. Check mortality schedules as well since birth the year before census.

Did locate a notice of her death from "Grant County Herald" 2-6-1879: pg?
"Died:
In Lancaster, January 21, 1879, Mrs Jane Russell, aged 78 years.
Mrs Russell was one of the early settlers of Lancaster, having been here for about thirty years, and gained the esteem and good will of all who knew her. She was a member ob the Baptist church for many years, living a consistent Christian life, and has doubtless gone to the reward of those who "do justly, love mercy and walk humbly before God" A large numbr of children, grandchildren and great-grandchildren remain to mourn her loss."

(Believe she would have had 6, possibly 7 children living at this time, several grandchildren and also would have had great grandchildren). According to death dates we have for the children that lived to maturity.

Cemetery card file in possession of Helen Jantz sent me a listing of all the Russells they had listed and one of them was Jane Potter Russell 1801-Jan 21, 1879. Died Lancaster Twp, buried in unknown cemetery. (Jul 2006)

Funeral home at that time appears to have been Gobel & Dyer Funeral Home but not listed now so either went out of business or changed to different one. There are two in Lancaster now.

PARENTS: Have not located her parents to date. Had thought her father may be Sylvester Potter but haven't found any connection to one in NY or VT.

CENSUS RECORDS:

1810 Jane would be abt 9 years of age prob. with parents.

1820 Jane would be 19 and believe she had married by then and possibly living with husband and his mother in Renssalear Co. NY.

1830 Lewis Co. NY: Jane may have been listed with husband, Barnabus Russell as age 20/30

1840 Summit Co. OH as age 30/40.

1850 find her in Grant Co., Lancaster Twp. WI pg 22 #315-319 as Jane Russell 47 VT, Phebe A. 13 OH, Julia E. 8 IL, Rebecca 6 WI, Barnabas 4 IA.

1855 Jane Russell listed in state census with 2 males and 3 females in Grant Co. WI.

1860 Grant Co., Lancaster Twp. WI pg 123 #911-906 Jane Russel 56 NY, Sylvester 19 OH, Julia 17 IL, Rebecca 15 WI, Barnabas 12 IA.

1870 Grant Co., Lancaster Twp. WI pg 55 #377-388 Sarah Russel 66 (69?) IN washermaid, Barney 22 WI. laborer.

(No mention of a 2nd mg and some great grandchildren did not know she had md Mr Voorhies when I asked them about the mg.)

BURIAL: Took place in the Sabbath Home cemetery in Adair Co MO near Brashere, MO Have pictures of the grave stone. Cem located in the country, south of Adair Co. off Hiway 63 a ways. Says on the stone Maria Lowe, wife of Hawley Lowe with birth and death dates.

PARENTS: First knowledge of her parents came from Deloris Hays who sent me info on Mariah's parents in 1973 when first started researching this family. The article stated Mariah was born in VT. Her father of Highland Scotch parents. His grandfathers name was Pepper and was killed at the Battle of Bennington, VT in Rev. War. Deloris did not know where the paper came from but was in family's belongings. We believe her parents were Barnabus Russell and Sarah " Jane" Potter from all research that has been done to date. Mariah was one of 12 children. Father died in 1845 in Delaware Co. IA and was buried on the farm that was owned by Mariah and her husband Hawley Lowe according to a land record located there and mother died after 1873 in Grant Co. WI.
Most of what was written has been found to be correct.

Completed children's info under Lowe family.

It was told by family that Hawley Lowe went into Civil War for someone else and he was killed, just after the battle of Silver Springs in Randalph Co. MO 8 Jan 1862 while sitting by a tree and believe buried in a common grave from that battle in what is called Bagby cemetery in Randolph Co. MO.

BIRTH: Death certificate gives birth date and place as in OH, however I believe they were still in Lewis Co. NY then, but maybe not, we aren't positive as didn't find Barnabas Russell in OH index of 1830 but did find one in NY as right age.

MARRIAGE: Mg recorded Grant Co. WI Book A pg 162 in presence of James Mabin. Licence listed husbands name as Franklin Vandewald. All other info listed name as Francis "Frank" Van de Wall (Vandewall) as does her obit.

DEATH: Death certificate in Book 5 pg 165 Grant Co. WI. listed Goble & Dyer as Undertakers and cause of death was obesity and chronic cardiac dropsey of two years. Was stated she was buried in Hillside cemetery in Lancaster. Walked the cemetery and did not locate her grave or Franks either. She was 76 years at time of death.

OBITUARY: 1st notice in Grant Co. Herald, Lancaster, WI Wednesday Sept. 26, 1906 page 1 col 3. MRS VANDEWALL DEAD Mrs Frank Vandewall passed away Monday evening at her home in the 3rd Ward at the age of nearly 76 years. Funeral will be held at the home at 2 pm today. A more extended obituary will be published later of deceased.

2nd obit was quite lenghty from the Grant Co. Herald, Wednesday Oct 3, 1906 Mrs Francis Van de Wall, born Dec 20, 1829, died Sept. 24, 1906 "These are they which came out of great tribulation, and have washed their robes, and

made them white in the blood of the Lamb. They shall hunger no more, neither thrist any more, neither shall the sun light on them nor any heat. For the Lamb which is in the midst of the throne shall feed them and lead them unto fountains of living waters, and God himself shall wipe away all tears from their eyes."

Jane Russel came to Wisconsin in early maidenhood from Cuyago County, Ohio, where she was born. At Lancaster, on April 4, 1850, she was united in marriage to Francis Van de Wall and together they have lived in this city fifty-six years. Here, eleven children were born to them. Four went in infancy to dwell in the Better land. George, the son, who went with the Lancaster Alaska Expedition met an untimely death in that far away icy country. William, Frank, Walter, Emma, (Mrs Tennant,) Mary, (Mrs Alcorn) and Carrie with their aged father are left to mourn, and all, except the first named were present to pay earth's last tribute to a most exemplary mother and wife.

Mrs Van de Wall had been for many years a sufferer. For five years she had not walked. Much of that time she was in severe pain, and yet all who have known her are unanimous in their testimony of her meekness, her gentleness and a patience almost sublime. Much grief and many burdens have been hers. But through tears were blinding her own eyes, there was ever a smile, a comforting word or tender touch for another's needs. A great forgetfulness of self, a beautiful gratitude for every blessing, an unwavering faith and invariable patience, these were among the highest attributes of her nature. If she had faults, the greatest was a total blindness to the faults of others. Charity, that sweet charity that "suffreth long and is kind; that vaunteth not itself, is not easily provoked, thinketh no evil, blesseth all things, hopeth all things, endureth all things," this was her creed, and she lived it unobtrusively, quietly, humbly. What finer tribute could be given than the words of the venerable and bereaved husband after more than half a century of companionship. "I am old and have seen great sufferings and many changes, but never have I seen so great patience, so sweet a nature as mother had." And Carrie the affectionate daughter, who has given with undiminishing and unswerving devotion, youth and health to the care of an invalid mother, has now unspeakable consolation in the sweet memory of the many loving words of approval from the dear one so dutifully tended. The father too is comforted by the knowledge that so faithful a daughter will never forsake him.

A brief but impressive service was conducted at the home on Thursday afternoon at 2 o'clock by Rev Morgans, and the beloved remains where laid to rest at beautiful Hillside.

A short poem then signed B.D.S.

CHILDREN: Her obituary listed they had 11 children, four dying in infancy and 1 after maturity before she. I don't know the names of the children dying in infancy so will only list the ones known.

CENSUS RECORDS:

Believe Jane would be 1 year old in 1830 census records and there was a Barnabas Russell in Lewis Co. NY with a daughter of to 5 years. Although her obit said she was born in OH, we find no Barnabas in OH index.

1840 she would be about 11 years and the one Barnabas Russell in Summit Co. OH has a daughter age 5/10 that could be her.

1850 Since married in Apr of 1850 she would probably be with her husband but was not located in Grant Co. WI. census

1860 Grant Co. WI Jane age 30 WI is with husband and 2 children.

DIED.

In Lancaster, January 21, 1879, Mrs. Jane Russell, aged 78 years.

Mrs. Russell was one of the early settlers of Lancaster, having been here for about thirty years, and gained the esteem and good will of all who knew her. She was a member of the Baptist church for many years, living a consistent Christian life, and has doubtless gone to the reward of those who "do justly, love mercy and walk humbly before God." A large number of children, grandchildren and great-grandchildren remain to mourn her loss.

Big questions -
1. Did Winslow say that he came to NY with his father who had left his mother?
2. Did Rachel (Cronkhite) Russell have two sons. One was Barnabus and the other born abt 1810/1811
3. Was this younger child James W Russell b. abt 1809
4. James W Russell was the father of James F Russell. James F Russell married his first or second cousin, James F Russell.

I will be sending more info. on Trumbull, Oh- soon

Subject: Pepper/ Revolutionary War

Good Morning, Gladys!

Just hurrying this morning. I thought I had your phone number but can't locate it before I rush off to work.

I was up late last night as I finally found some Peppers that were at Bennington for the Revolutionary War. I have always wished I could find a link between Simeon Pepper who shows up everywhere with the Revolutionary War. He clearly was not at Bennington. I believe that all of the info you have from your Colorado source is accurate with that exception of Barnabas's son's birth. To that end I have been pursuing the Pepper name tirelessly with any tie to the Revolutionary War. There are Peppers from Braintree, MA, In the Massachusetts Soldiers and Sailors of the Revolutionary War, VOL 12 p 130 and 131 there are Peppers mentioned. It states that Pepper has several spellings represented. Though upon close examination the Pepor and Paper and Peper had only one or 2 entries and each stated the service record. Non of them stated Bennington. Under PEPPER, I was able to find Jacob Pepper Sr, Jacob Pepper Jr and Joseph Pepper all of New Braintree, MA (LIKE SIMEON IS) Jacob JR and Joseph were at Bennington on Aug 1777.

Just haven't had time to dig here and match up dates and I will. The 3 are related to each other. I think the sons are brothers to Simeon. They all appear in a linage of descendants of Robert and Elizabeth(Johnson) Pepper. Simeon Pepper born 1754 in New Braintree Ma even has a daughter named Tryphena. who died at age 15. I need time to research to see how Sarah Jane Potter could fit into this Pepper family.

So far just speculation here but I want to see if one of the sons above or even the Dad could have died in the Revolutionary War. So much fun digging.

Hope this finds you fine and enjoying the beautiful fall colors of Iowa!

Please write when you get a chance. I love to hear how you are doing and keep in touch.

Sincerely,
Lois Baty Schultz

Hi Lois,

I have been working on these lines again. I created new memorials for William and Rachel Bresee and I transferred them to you, as well as Sargent and Louisa. I figured they were your direct ancestors and you should have them. I have the birth year for Sargent as 1820, but the stone says 1821, so it's up to you as to which is correct.

I was looking at the Russell line last night and found a few things you may or may not have. It would be nice to know where Sarah Jane is buried, and if she has a marker. I would like to get that for you. If there are any others you want, just let me know. Sometime this Spring when the weather is nice, I can take a drive and shoot some of these for you in Grant County.

Here are a few items I made and also found on Ancestry.com

Andy

Notes

HUSBAND - William BRESEE
Research I did in Grant Co. WI.

Faye Francis found a bit of info on one Rachael Parrish b. ca 1794 Hebron, Tolland, CT md William Bresee 1815 dau of William and Sally Parrish. Could be this couple and went to Canada then on to WI?

Lois sent info on William Bresee and Rachel Parrish Bresee. with birth and death dates and maybe buried in Bear Valley cem, Richland Co. WI. (3 Mar 2012) Pic of stone.

Lois Schultz (Jun 2014) sent info that wm and Rachel had fled persecution of other Americans as the Rev. War ended and they had been Loyal to the Crown of England. They came from New England and settled in Ontario. then children ended up in WI. they are buried in the Bear Valley cemetery withtheir daughter Thankful (Bresee) Davis. another cousin traveled to cemetery and took pictures for Find a grave for me.

WIFE - Rachel PARISH
Research I did in Grant Co. WI

Faye Francis found some info on internet reference to Rachael Parrish b. ca 1794 Hebron, Tolland, CT md William Bresee 1815 Hebron, Tolland CT dau of William and Sally Parrish. Could be this family gone to Canada then to WI.

Lois Schultz sent me info that was sent to her on this family. (3 Mar 2012) Rachel Parish born 1799 Canada (memorial stone says 1792) Leeds book says 1799 Other source says could be born Hebron, Tolland, CT. Not sure which is correct.

Internet site of Find a grave shows her grave stone and birth date listed as 1797 and died 12 Dec 1870.

Rachel was 5th born of 8 children, 6 boys and 2 girls

CHILD 1 - Sargent BRESEE
Gravestone gives date of birth and death. Census said he was born Canada East.

MARRIAGE: Copied from "Memorable Happenings In The Grant co. Herald 1843-1869" compiled by Cheryl D. Lemanski pub 1991 pg 15 lists Sargent Brassee md to Laura J. Spencer 8 Jan 1845 Platt Timber/Lima from issue 11 Jan 1845 pg 3a2. Obit of Louisa also stated md 8 Jan 18__ (date cut off).

DEATH: Article in the Grant Co. Herald, Lancaster, WI newspaper dated 13 Jan 1863: BRESEE: In Tafton WI, Dec 21st 1862 Mr Sargent Bresee died in his 42nd year. There were no Tafton papers for this time. Researched this in Madison, WI June 1993 and recorded on microfilm #P84-4428
Also from Grant Co. Herald newspaper Sep 15, 1863 pg 2a7
Find A Grave internet site has picture of stone and info on Sargent and his wife and parents and 2 children.
Also from above book on pg 15 listed Sargent Brasee of Tafton, widow Louisa J. adm of estate from newspaper dated 27 Jan 1863 pg 2a7.

3 Feb-10 Feb 1863 pg 4: Estate of Sargent Brasee, Jan Term 1863. Regarding the petition of Louisa J. Notes

CHILD 1 - Sargent BRESEE (Continued)

Finn to be appointed administrator. Held in court 17 Feb Tuesday at 1:00 1863. Publish this order 3 weeks prior to hearing in Grant Co. Herald, Lancaster, WI. Dated 23rd Jan 1863 W.M. McGonigal County Judge.

Sargent Bresee was Constable at Patch Grove, WI in 1859, and 1860-61 in Bloomington, WI. He also listed as Hotel Keeper in census records.

CENSUS RECORDS: 1st census located him was in 1850 Grant Co. Dist. 24 WI pg 24 #2/2 as Sargent Bresee 28 Canada, Louisa 26 NY, Almeda S. 4 WI, Rachel Jane 3 WI, Sally A. 2 WI, Sylvester Russell 10 OH.

1860 Grant Co. Tafton Twp. WI pg 86 #658/638 Sargent Brazee 38 Canada East, hotel Keeper, Louisa 37 NY, Almeda 14 WI, Triphena 8 WI, James Roney 6 WI, Barnabas Russell 13 WI. (not sure if Roney was not a last name?)

1870 Louisa was by herself in Grant Co. Bloomington Twp. and 1875 state census she was by herself and 1880 she was listed as age 57 widow with Elizabeth R. Russell listed as step daughter.

1900 Did locate Louisa in soundex Grant Co. Bloomington, WI. ED 24 Sheet 3: Louisa Brazee b. Mar 1822 NY. Mary E. Strong (relationship L) Sep 1843 46 VT. Paul Nevins boarder Jan 1876 24 WI.

Have not located his parents but could have been William and Rachel Bresee as they were in Grant Co. WI along with Joel Bresee and know he was son of Wm & Rachel. Possibly Thankful Adams Bresee b. 1824 was also a sister who md Abijah S. Davis, since John, Joel & Thankful all born in Canada as that is where Wm & Rachel was from, as well as know John Gould Bresee was son of Wm and Rachel b. in Canada.

CHILD 2 - Thankful Adams BRESEE

Sep 2008
Faye Francis found this info on a website, not sure which one then to rootsweb and locted Abijah S. Davis Jr. b. 1850 d. 1870 buried Bear Valley Cem, Richland co. WI. His father Abijah S. Davis b. 1824
d. 1890 born Leeds, Canada. Married Thankful Adams Bresee b 1826 d. 1890 born Upper Canada. Dau of William Bresee and Rachael ?. Children Abijah S., Sally A. and Walter John.

We know John Gould Bresee was son of William and Rachel all from Canada and in Grant Co. WI when John md Phoebe Russell so sure Thankful is a sister but not sure if Adams was the maiden name or Bresee was the maiden name.

I located them in the 1880 census of Buena Vista, Richland Co. WI pg 26b.
N S Davis 55 Canada
Thankful A. Davis 53 Canada

and about 2 doors from them beleive their son Walter John:
W.J. Davis 25 WI
Elizabeth 20 WI wife
Benj. M. 1 WI son

Internet site Find a Grave shows their grave stone Thankful, husband Abijah Sr and Abijah Jr and Sally. close to son Walter and his 2 wives.

CHILD 3 - John Gould BRESEE

BIRTH: Census records give approx. date. Name is pronounced Bre zee

MARRIAGE: Marriage recorded Grant Co. WI. Book 1 pg 120 married by E.M. Lewis and list John as farmer, born Mass. Also list parents of both.

DEATH: Not located them after 1880 in Ft Ddge, IA. The name has been spelled several different ways, such as Bressee, Breese, Bresze, Breeze but most common used Bresee which is what I used here.
But pronounced Bre zee

CENSUS RECORDS:

1850 Have not located John in 1850 Grant Co. WI census.

1855 state census list John G. Bresee pg 3 with 1 male and 1 female.

A RURAL OBSERVER.

The Constitution In Practice.

The theory of the constitution is that the three departments of the government—the legislative, the executive and the judiciary—are independent of one another. In practice the government is not carried on in harmony with this theory. The system of checks and balances does not operate as its inventors intended. The president was to have had the power of selecting his subordinates; the senate, through the exercise of the power of confirmation, was to prevent the appointment of unworthy men, especially of men who might connive with the president to usurp power. In practice most of the president's subordinates are forced upon him. He usually selects after consultation with a senator, who stands for the whole senate, for he has its power behind him through a custom which has grown to be a rule of conduct, known as the "courtesy of the senate."—Century.

Fruit Seeds and Appendicitis.

"Many very intelligent people are deterred from swallowing the seeds of berries, grapes and other fruits lest the lodgment of these small bits of indigestibleness may induce that dreadful accident appendicitis," says the Dietetic Gazette.

"This fear is utterly baseless since the healthy appendix is protected by a valvular arrangement which prevents even the smallest seeds from entering it. It is only after inflammation has already destroyed its normal protection that any foreign substance can gain access to it.

"To feel compelled to eschew all seedy berries and fruits is to seriously curtail one's dietary, and it is entirely unnecessary. In fact, the free and constant use of ripe berries and fruits of all kinds is one of the best preventives of this dangerous disease."

Could Not Stand It.

A life of the poet James Gates Percival contains some personal incidents that show the character of the man. Among them is this:

When he was made state geologist of Wisconsin, a young man was appointed to assist him. One day the geologist entered the governor's office in a state of excitement. "I cannot stand it. Indeed I cannot! I cannot work with him any longer!" he declared with some agitation, referring to his assistant.

"What's the trouble?"

"He whistles and he throws stones at birds," was the indignant rejoinder. Thereafter he pursued his geological labors unassisted.

Had Good Reason to Worry.

They are telling this story of the pastor of a metropolitan church who has made a study of palmistry and kindred subjects:

A woman came to him and begged that he read her hand. She was a spinster, and an interesting network of lines had spread over her palm with the years. The minister decided to give her a bit of advice.

"You should never think of marriage," he said.

"I don't," replied the spinster promptly; "I worry about it."—New York Tribune.

Curiosities of Etymology.

It is extraordinary how words for the same thing differ in even so small present for the Sultan Solyman, who made her one of his wives. By this union she became the mother of Selim II., ancestor of Mohammed IV.

From the same noble family Alexander VII. was lineally descended on the maternal side. Lionardo Marsili, brother of the captive Margherita, had a son, Cesare, whose daughter, Laura, married into the Chigi family and became the mother of Fabio Chigi, known on the roll of pontiffs as Pope Alexander VII.

Raleigh and the Potato.

It was Sir Walter Raleigh who brought potatoes into Ireland at the same time he brought the other American product, tobacco. Sir Walter was busily engaged in oppressing the people about Cork, so naturally, when he planted the potato on his estate at Youghal, near Cork, the people were suspicious of it despite its palatableness. Cobbett cursed the root as being the ruin of Ireland, declaring it a device of Saxon ingenuity brought into their midst to tempt and eventually to weaken them. Sir Walter ate quantities of potatoes himself before he could assure the people of their harmlessness. Now, with commendable gratitude, the tourist is shown the very spot in the garden where Sir Walter planted the potato root. Close by it is another historical bit of ground. There, it is claimed, Sir Walter rested under the shade of a tree smoking his first pipe of tobacco when his servant deluged him with a pail of water under the impression he was on fire.—What to Eat.

A Silkworm of the Sea.

Silk is obtained from the shellfish known as the pinna, which is found in the Mediterranean. This shellfish has the power of spinning a viscid silk which in Sicily is made into a regular and very handsome fabric. The silk is spun by the shellfish in the first instance for the purpose of attaching itself to the rocks. It is able to guide the delicate filaments to the proper place and there glue them fast, and if they are cut away it can reproduce them. The material when gathered (which is done at low tide) is washed in soap and water, dried, straightened and carded, one pound of the coarse filament yielding about three ounces of fine thread, which, when spun, is a lovely burnished golden brown color.

Settling a Bill.

When Andrew Jackson lived at Salisbury, N. C., he once attended court at Rockford, then the county seat of Surry, and left without paying his bill, which was duly charged up against him on the hotel register, which seems to have been the hotel ledger at that time, and so stood for many years. When the news of the victory of the 8th of January, 1815, was received in this then remote section the old landlord turned back the leaves of the register, took his pen and wrote under the account against Andrew Jackson, "Settled in full by the battle of New Orleans."

Desperately Ill.

Gladys,
All of this is old information to you but I am sitting here thinking every time we re read or re hear something ideas for more research or follow up arise. This is my 4th cousin, Andrew Cockroft of Gotham, Wisconsin who is always hot on the trail with an adventureous spirit.

You will recognise the documentations I'm sure having had to go to the courthouse to get them originally as you did.

I want to let you know too that I DO HAVE an original newspaper obit for Louisa. You got yours from Madison Courthouse I believe and it was cut off badly. I do not believe I have ever had an obituary that was so flowery in my life. I am looking through my archives for that to send to you and in doing so, found this page from Andy. thought you might enjoy. I see he does have the NEVINS headstone in the back ground there. Is that Rachel's grave then??? I am doing this wondering without any notes so I am going to have to look at it all again when I have a moment.

Will still send the Louisa Russell Bresee Picture from MN.

By the way, Mom, your 3rd cousin, if I calculate correctly, will be mother of the Groom for Harold's first wedding ...her age 87!!!

Love you,
Lois

I have been a busy boy...

When I first discovered the marriage record for John Bennett and Tryphena back in 1994 or 1995, I thought they mis-spelled her maiden name, and that it should be Breeze. I also thought that her father, Sargent, was a military man and that they were using his title. I was pretty naive at the time and good at making assumptions.

Just a year or so ago, after subscribing to Ancestry.com and being amazed at all the census material Carol was finding, plus the fact she had found John and Tryphena in Iowa. Then knowing that Tryphena was born in Wisconsin, I decided to search for her parents. I think it was me, but maybe Carol had already found them, but I did manage to find Sargent and Louisa in the 1850

Wisconsin census. They were found living in Grant County. I then found them in the 1855 state census, and then the 1860 Wisconsin census. I did not find them after that, figuring they must have left the area. Not til Lois supplied more information, did I realize that Sargent died and Louisa lived until 1903.

So, armed with this new information, I did some more searching and was able to find Louisa in the 1870, 1880, 1895 state, and 1900 federal census's. She never remarried and was living by herself in 1870 in Bloomington, Grant County, which is where she is found in all later census's. I found a step-daughter, Elizabeth R. Russell, age 10, living with her in 1880. 1895 just lists head of household pretty much. Just proves where they are really. In 1900, she was 78 years old, lists her birth month as March, and birth year as 1822, which she always seems to be listed as a year or two younger than Sargent. It also says she had 4 children with none living. That struck me as being fairly sad, having lived through the deaths of her husband and all four of her children. Which, by the way were all daughters, if my take on the earlier census records is correct; Almeda S. born about 1846 in Wisconsin, Rachel Jane born about 1847 in Wisconsin, Sally A. born about 1848 in Wisconsin, and Tryphena born in 1852. By the way, Wisconsin was still a territory until 1848 when it admitted to the union and became a state. Looks like Sargent was here very early. Lois, do you know any more about Sargent's background? Who were his parent's, where did he marry Louisa? etc?

We know Tryphena married John Bennett in 1875, and she is found in the 1860 census, but I have been unable to find her at all in 1870? I am curious where she might be and how she met John Bennett? Gotham is about 65 miles from Bloomington. I know, as I drove there today. We don't presently have any snow, although it is kind of chilly, so I decided to go check out the area and also the cemetery and see if could find the graves for Sargent and Louisa. It turned out to be a successful day all around. I even checked out any requests for that cemetery on find-a-grave and was able to fill three requests as well. One was a WWII veteran who was killed in Italy in 1944. So I feel pretty pleased with that.

I did not know the area at all, but used a road map to get there pretty well. Took hwy 60 from my house, to hwy 61 south, through Boscobel and then south to Fennimore, and then east on hwy 18. Then south on hwy 35 to Patch Grove and then Bloomington. In 1850, they list district 24 as the location, which I am not sure where that would be exactly? The 1855 state census says Patch Grove and the 1860 census says Tafton. Sargent was a farmer in 1850 and then a hotel keeper in 1860. And I didn't know anything about Tafton, but was able to find through a google search, and from the Wisconsin State Historical Society that Tafton was later renamed Bloomington, so was actually Bloomington before they named it that. So Louisa was in Bloomington from 1860 until she died in 1903, 40 plus years. I also found out from the WSHS that they have a death record for Louisa, and a marriage record for Rachel Jane in 1863. Cost is $15 per record if you are interested, and can buy them online I believe. Louisa's death record may list her parent's, if you don't already know? Death records many times are only as good as the informant's knowledge. I also wonder if Louisa, Annie, or Tryphena Bennett knew their grandmother very well or if they attended her funeral? There may be an obituary for Louisa as well, if one can determine which newspaper that covered the area.

There appears to be a Sylvester Russell living them in 1850, who was born in Ohio, and age 10. Would he be Louisa's brother? Later census records lists relationships which 1850 does not. There is a Barnabas Russell living

with them in 1860, and the aforementioned Elizabeth R. Russell in 1880.

I stopped to shoot pictures along the way so you could see what the area looks like around here. I actually live in what they call the unglaciated area of Wisconsin, in Richland County. Glaciers covered most of Wisconsin ages ago and leveled off most of the hills, but the hills are still pretty nice where I live. From Patch Grove there is a creek that runs along the highway to Bloomington. Since I didn't know exactly where the cemetery was, I saw a lady in her yard and stopped and asked her. She was pretty funny, didn't know the street names, but was able to get me pointed in the right direction after having to think about it and telling me to go pass the bank and then up a hill and then take a left, no second left and then keep going til you hit the cemetery. She was laughing about her directions, but they worked. The cemetery is up on a hill, southeast corner of the town. The old graves were right inside the main entrance, with Sargent and Louisa just inside on the left. I did see a burial as early as 1859. Looks to me that the round top stone was put there when Louisa was buried in 1903, I have seen that type before in that era. Then Sargent's original 1862 stone is right next to it, bad broken off and reset. They also butchered the birth year for Louisa on the round stone, which I believe should be 1822, which would match the 1900 census. Her death record should also tell her birth year and would be official. After all the census records and John Bennett's marriage record, I was beginning to wonder what exactly their surname should be? I now feel confident that is Bresee is correct.

I am attaching all the information I found and pictures of my trip. I have also went and added them to find-a-grave. Lois, I did correct the name for Sargent on the others. You say that was a surname? Whose?

Since Louisa lived until 1903, I wonder if there is a photo of her?

Hope you both enjoy the pictures and information. The old military road historical marker was just east of Patch Grove. There were two smaller older markers next to the Bresee's, and I wondered if they might be two of the daughters? The markers are smaller like I generally see for children, but they are so deteriorated I can't read them. After careful scrutiny I have my doubts that they are related, but can't be certain?

Cousin,
Andy

Hi Lois,

thanks for sending all that information, sure was interesting. The picture of Louisa Russell Bresee was really interesting. Don't believe had any pictures of the Russell's, not even my line of Rachel "Mariah" Russell Lowe.

I was wondering if you or anyone knows if there is still the Bloomington Record newspaper in existance or if you have actual copies in the library at Lancaster or your Society library?

I located the enclosed obituary of which I was really needing when in Madison and as you can see the first several letters are missing as they were from the microfilm copy and I really need the whole obit. I am trying to locate the sister that lived in Ft Dodge (was this Iowa or another state?) but don't know where to look. Two of her sisters I haven't been able to locate, Dorothy and husband Henry Vandewall and Phebe and husband John Bresee. I know the one in Lancaster.

I also don't know where to look for a funeral record, which might tell as only listed Baptist church for services.

Do you have anyone that could check this out for me? I hadn't looked in the Lancaster newspaper, maybe it would be there also complete.

I have enclosed $5 for a copy and time. Thank you.

Hi Lois,

I found all the info from Find A Grave on the Bresee.

Was wondering if you have come across any info on Louisa and David Spencer and their first child, could be Thomas and maybe md Fedelia b. 1840 and 1 dau julia age 2 WI from 1860 census Grant Co. I haven't found anything else and not sure this is the right family. There was a David Spencer in Grant Co. WI in 1860 age 45, MD wife Sarah 40 VA, Harrison 5, William H. 2 and Richard Dollen 74 VA (could be Sarah's father?
But I hadn't gotten around to following up on the family.

There appears to be several David Spencers in Grant co. WI 1860 and didn't find any that thought were right in 1870.

Hope all is okay with you there. Just started a week of 90 degrees weather so not that good.

Later,
Gladys

Hi Gladys!

I have been thinking of you! I got your new email address and was thrilled that you would be able to get back to genealogy after a long spell of taking care of your Mom and then the estate business. I know that you will be happy to get the picture that I have of Louisa Bresee. I have it at Mom's house and Andy had scanned about 30 pictures that I sent to him. Then he would send me back a clearer picture. When it came to the one of Louisa

there was no attachment. I know he is busy but I am heading to Mom's in MN tomorrow bright and early. So will have the original to scan and send again to you. I remember looking at the picture years ago and thinking that this woman appeared to have some spanish or something else. You will have to see it when I send it.

Andy and I both looked last year quite hard through Ancestry.com and tried to find an appropriate David Spencer listed in Grant Co, Wisconsin. Andy was so frustrated that he was convinced there wasn't one or that David was a middle name and didn't show up on the records. We found the one you are mentioning I believe but he was not the right age.

Going home now is mainly for the wedding of my brother, Harold who is 49 and has never married before. His fiancee is about 38 and also never married. Very nice couple. I don't think we will get much family tree stuff done but I owe Andy some more pictures of the Bennetts.

Thanks for the emails. It will be hot here too though today if amazingly comfortable. Tomorrow is a different story. I like keeping in touch with you and hope you are doing well. Watch for Louisa's picture.

HI Gladys,

Here is the picture of Louisa Russell Bresee. I always thought she looked a little Spanish or something? I wish we had a picture of any of the other siblings. Do you have any of Rachel Mariah Russell?

Also there is a picture of the picnic at Gotham, Wisconsin when my Mother was 5 . Picture taken June 1930. George Bennett is leaning against the tree. Tryphena (Bennett) Bennett, his wife is the lady on the right of the picture. (her Mother,Tryphena was the wife of John Bennett) This Tryphena married her cousin, George is buried at Button Cemetery but Tryphena who died later was buried in ND even though she has a grave marker at Button Cemetery.

Arrived in MN fine and wanted to send you the picture of Louisa. Time is going to fly by with the wedding schedule and I wanted to keep my promise to you.

Gladys,
All of this is old information to you but I am sitting here thinking every time we re read or re hear something ideas for more research or follow up arise. This is my 4th cousin, Andrew Cockroft of Gotham, Wisconsin who is always hot on the trail with an adventureous spirit.

You will recognise the documentations I'm sure having had to go to the courthouse to get them originally as you did.

I want to let you know too that I DO HAVE an original newspaper obit for Louisa. You got yours from Madison Courthouse I believe and it was cut off badly. I do not believe I have ever had an obituary that was so flowery in my life. I am looking through my archives for that to send to you and in doing so, found this page from Andy. thought you might enjoy. I see he does have the NEVINS headstone in the back ground there. Is that Rachel's grave then??? I am doing this wondering without any notes so I am going to have to look at it all again when I have a moment.

Will still send the Louisa Russell Bresee Picture from MN.

By the way, Mom, your 3rd cousin, if I calculate correctly, will be mother of the Groom for Harold's first wedding ...her age 87!!!

Love you,
Lois

December 10th, 2011

I have been a busy boy...

When I first discovered the marriage record for John Bennett and Tryphena back in 1994 or 1995, I thought they mis-spelled her maiden name, and that it should be Breeze. I also thought that her father, Sargent, was a military man and that they were using his title. I was pretty naive at the time and good at making assumptions.

Just a year or so ago, after subscribing to Ancestry.com and being amazed at all the census material Carol was finding, plus the fact she had found John and Tryphena in Iowa. Then knowing that Tryphena was born in Wisconsin, I decided to search for her parents. I think it was me, but maybe Carol had already found them, but I did manage to find Sargent and Louisa in the 1850 Wisconsin census. They were found living in Grant County. I then found them in the 1855 state census, and then the 1860 Wisconsin census. I did not find them after that, figuring they must have left the area. Not til Lois supplied more information, did I realize that Sargent died and Louisa lived until 1903.

So, armed with this new information, I did some more searching and was able to find Louisa in the 1870, 1880, 1895 state, and 1900 federal census's. She never remarried and was living by herself in 1870 in Bloomington, Grant County, which is where she is found in all later census's. I found a step-daughter, Elizabeth R. Russell, age 10, living with her in 1880. 1895 just lists head of household pretty much. Just proves where they are really. In 1900, she was 78 years old, lists her birth month as March, and birth year as 1822, which she always seems to be listed as a year or two younger than Sargent. It also says she had 4 children with none living. That struck me as being fairly sad, having lived through the deaths of her husband and all four of her children. Which, by the way were all daughters, if my take on the earlier census records is correct; Almeda S. born about 1846 in Wisconsin, Rachel Jane born about 1847 in Wisconsin, Sally A. born about 1848 in Wisconsin, and Tryphena born in 1852. By the way, Wisconsin was still a territory until 1848 when it admitted to the union and became a state. Looks like Sargent was here very early. Lois, do you know any more about Sargent's background? Who were his parent's, where did he marry Louisa? etc?

We know Tryphena married John Bennett in 1875, and she is found in the 1860 census, but I have been unable to find her at all in 1870? I am curious where she might be and how she met John Bennett? Gotham is about 65 miles from Bloomington. I know, as I drove there today. We don't presently have any snow, although it is kind of chilly, so I decided to go check out the area and also the cemetery and see if could find the graves for Sargent and Louisa. It turned out to be a successful day all around. I even checked out any requests for that cemetery on find-a-grave and was able to fill three requests as well. One was a WWII veteran who was killed in Italy in 1944. So I feel pretty pleased with that.

I did not know the area at all, but used a road map to get there pretty well. Took hwy 60 from my house, to hwy 61 south, through Boscobel and then south to Fennimore, and then east on hwy 18. Then south on hwy 35 to Patch Grove and then Bloomington. In 1850, they list district 24 as the location, which I am not sure where that would be exactly? The 1855 state census says Patch Grove and the 1860 census says Tafton. Sargent was a farmer in 1850 and then a hotel keeper in 1860. And I didn't know anything about Tafton, but was able to find through a google search, and from the Wisconsin State Historical Society that Tafton was later renamed Bloomington, so was actually Bloomington before they named it that. So Louisa was in Bloomington from 1860 until she died in 1903, 40 plus years. I also found out from the WSHS that they have a death record for Louisa, and a marriage record for Rachel Jane in 1863. Cost is $15 per record if you are interested, and can buy them online I believe. Louisa's

death record may list her parent's, if you don't already know? Death records many times are only as good as the informant's knowledge. I also wonder if Louisa, Annie, or Tryphena Bennett knew their grandmother very well or if they attended her funeral? There may be an obituary for Louisa as well, if one can determine which newspaper that covered the area.

There appears to be a Sylvester Russell living them in 1850, who was born in Ohio, and age 10. Would he be Louisa's brother? Later census records lists relationships which 1850 does not. There is a Barnabas Russell living with them in 1860, and the aforementioned Elizabeth R. Russell in 1880.

I stopped to shoot pictures along the way so you could see what the area looks like around here. I actually live in what they call the unglaciated area of Wisconsin, in Richland County. Glaciers covered most of Wisconsin ages ago and leveled off most of the hills, but the hills are still pretty nice where I live. From Patch Grove there is a creek that runs along the highway to Bloomington. Since I didn't know exactly where the cemetery was, I saw a lady in her yard and stopped and asked her. She was pretty funny, didn't know the street names, but was able to get me pointed in the right direction after having to think about it and telling me to go pass the bank and then up a hill and then take a left, no second left and then keep going til you hit the cemetery. She was laughing about her directions, but they worked. The cemetery is up on a hill, southeast corner of the town. The old graves were right inside the main entrance, with Sargent and Louisa just inside on the left. I did see a burial as early as 1859. Looks to me that the round top stone was put there when Louisa was buried in 1903, I have seen that type before in that era. Then Sargent's original 1862 stone is right next to it, bad broken off and reset. They also butchered the birth year for Louisa on the round stone, which I believe should be 1822, which would match the 1900 census. Her death record should also tell her birth year and would be official. After all the census records and John Bennett's marriage record, I was beginning to wonder what exactly their surname should be? I now feel confident that is Bresee is correct.

I am attaching all the information I found and pictures of my trip. I have also went and added them to find-a-grave. Lois, I did correct the name for Sargent on the others. You say that was a surname? Whose?

Since Louisa lived until 1903, I wonder if there is a photo of her?

Hope you both enjoy the pictures and information. The old military road historical marker was just east of Patch Grove. There were two smaller older markers next to the Bresee's, and I wondered if they might be two of the daughters? The markers are smaller like I generally see for children, but they are so deteriorated I can't read them. After careful scrutiny I have my doubts that they are related, but can't be certain?

Cousin,
Andy

Notes

HUSBAND - John Bennett Jr

said had 4 children

Info on line of John from Lois Schultz, Virgina Beach, VA Dec 2009

She says she has more info on the Bennett line. Also said in Scotland name was Bennok

Listed 2 birthdates 20 Feb 1831 and 20 Feb 1834 Dumfries, Scotland. John son of John and Ann Edgar Bennett. Immigrated to America in 1851 when he was 17 years old. Lived in Washington Co. PA then Richland co. WI, Floyd Co,. IA and then Webster Co. IA. Was originally buried in Webster County near Lizard Creek but was removed to Union cem in 1934. They had 4 children.
this info was from Find a Grave internet site which showed pic of grave stone and other info.

other source listed 8 children, 3 unknown so not sure just how many they had.

Family Group Record

Husband John Bennett Jr

Wife Tryphena Elizabeth Bresee

Notes

WIFE - Tryphena Elizabeth Bresee

She was age 8 in 1860 with parents and haven't located her after that. Obit of mother stated she died before 1903.
She died 12 Apr 1885. A son John Sargent b. 11 Apr and died 13 Apr 1885.
They were initially buried in Lizard cem in Pocahontas Co. then removed Union cem in 1934.This info from Find A Grave on the internet w/picture of stone in Union cem.

e-mail from Lois Schultz, 2604 Casa Court, Virginia Beach, VA 23456 Dec 2009
e-mail address: tidewaterhomes@aol.com

She sent family line of Tryphena Elizabeth Bresee Bennett who was daughter of Louisa Jeanetta Russell and Sargent Bresee. Tryphena married John Bennett Jr. 10 Oct 1875. They had 7 children and this is the line Lois descends from. Couldn't believe we have a connection. Will fill in info later.
Lois said in phone visit 5 Jan 2010 that Lester Bennett was not their son but had been adopted and then he had been adopted again and not sure when the last time was or where he was born or died.
Apparently was later and he may not have been adopted until after the 1880 census which is why he wasn't listed with them.

No place for their marriage but first child was born in Charles City, Floyd Co. IA.

1880 Cedar, Floyd Co. IA pg 253b: John Bennett farmer 46 Scotland, fa-mo Scotland, Truphena 27 WI, wife, Louisa 1 IA dau. I located them in the census from the cd 1880 set, Jan 2010.

Also next page was George Bennett age 35 b. IL and Samuel age 39 Il both with families, they might be connected if brothers to John. forgot to check to see where parents born.

Info on family group from Lois Baty Schultz Mar 2012. Most of what I had but did fill in few dates and places.

CHILD 1 - Lester Bennett

Info from Lois Schultz, Virginia Beach, VA Dec 2009.

Stated Lester was born before 1878 so probably the first child born after their parents marriage in 1875
So if he was born before 1878 he probably had died before 1880 as was not with family in Floyd Co. IA in 1880 as only dau Louisa was with John and Tryphena Bennett.

Lois told me in a phone visit 5 Jan 2010 that Lester was adopted and had a couple different last names and last one was not Bennett but not sure what it was. So am not going to list him as a Bennett child as it isn't actually and have not dates for sure.

Was stated Lester Bennett born before 1878 natural son but adopted bef 1878 and readopted by folks named Bartley.

CHILD 2 - Louise Almeda Bennett

All info from Lois Schultz, Virginia Beach, VA Dec 2009.

Ancestry.com has pic of George & Louise A. Bennett Rathke and Tryphena Bennett and Will. But couldn't print it out.

CHILD 3 - Annie Jeanette Janet Bennett

Info from Lois Schultz Dec 2009.
Since Annie's grandmothers name was Louise Jeanetta I would guess middle name was that.

Said Annie Jeanette or Janet was born in 1880 Charles City, IA in a hotel.
Married William John Rathke 1904 in Enderlin, N. D. and died 1961 Humboldt, IA.

Died Saint Joseph's Mercy Hospital, Fort Dodge, IA and buried Union cem. Humboldt.

Was stated she married 20 Feb 1901 in Corinth, Humboldt, IA to Gerd Griepenburg.

Faye Francis sent info on a Minnie Rachael Bennett that was suppose to be Minnie Rachel Ruth Rathke in the Sunset Rest cem at Ray, Williams Co. ND. So maybe internet got the name wrong when transcribed.(these children maybe children of brother of William John Rathke?

Find a Grave internet site listed Annie and Williams stone and info listed they had 4 children Lester John, Clara Elizabeth, Albert William and Mildred Gladys.

Family Group Record

Husband John Bennett Jr.

Wife Tryphena Elizabeth Brooks

Notes:

WIFE: - Tryphena Elizabeth Brooks

She was age 8 in 1860 with parents and brothers located her step dad. Dtr of mother stated she died before 1920.

She died 12 Apr 1920. A son John Dayton b. 1 Apr and died 13 Apr 1888

They were initially buried in Ujeed cem in Pocahontas Co. then removed Union cem in 1923. This info from Find A Grave on the cemetery sculpture of stone in Union cem.

e-mail from Lois Schultz, 2824 Casa Circle, Virginia Beach, VA 23452 Dec 2009

e-mail address: loisschultz@cox.net

She went family line of Tryphena Elizabeth Brooks Bennett, who was daughter of Louisa Jeanetta Russell and Sanford Brooks. Tryphena married John Bennett Jr. 10 Oct 1878. They had 7 children and that is the Line descendants from Claudia believe we have a connection. Will fill in info later.

Lois said in phone visit 5 Jan 2010 that Lizzie Bennett was not theirs but was adopted and then the had two adopted again and not sure when the last time was or where he was born 1880?

Apparently was later and he may not have been adopted until after the 1880 census when is why he wasn't listed with them.

No place for their marriage but first child was born in Oneida City, Floyd Co., IA.

1880 Oneida, Floyd Co. IA. pg 282b. John Bennett, farmer, 30, Scotland, In-law Scotland, Tryphena 22 WI, wife, Louisa 1 IA dau. Received them in the details from the 04 Sept 2010

Also next page was George Bennett, age 25, IL, and Samuel age 28 IL both with families. They might be connected if brothers to John. Forgot to check to see where parents born.

Info on family group from Lois Early Schultz May 2012. Most of what I had be did fit in her dates and places.

CHILD 1 - Lizzie Bennett

Info from Lois Schultz, Virginia Beach, VA Dec 2009

Stated Lizzie was born before 1878 so probably the first child born after their parents married in 1875.

So if he was born before 1878 he probably had died before 1880 as was not with family in Floyd Co., IA in 1880 as only dau Louisa was with John and Tryphena Bennett

Lois told me in a phone visit 5 Jan 2010 that Lizzie was adopted and had a couple different last names and last one was not Bennett but not sure what it was. So am not quite to be a Bennett child as didn't actually live with Bennett as parents

Was stated Lizzie Bennett born before 1878 maybe not but adopted her 1878 and reinforced by Lois named Bentley

CHILD 2 - Louisa Almeda Bennett

All info from Lois Schultz, Virginia Beach, VA Dec 2009

Ancestry.com has pic of George & Louisa A. Bennett Parks and Tryphena Bennett and Will. But couldn't print it out.

CHILD 3 - Annie Jeanetta Jessi Bennett

Info from Lois Schultz Dec 2009.

Since Annie's grandmother's name was Louisa Jeanetta I would guess middle name was that.

Said Annie Jeanetta or Jeanette was born in 1880 Oneida City, IA or a typo

Married William John Barclay 1903 in Emerson, NE. and died 1971 Humboldt, IA

Died Saint Joseph's Mercy Hospital, Fort Dodge, IA and buried Union cem. Humboldt.

Was stated she married 26 Dec 1901 in Dayton, Humboldt, IA in Carol City county

Faye Francis sent info on a Minnie Belcher Bennett that was supposed to be Minnie from Ruth Raney in the Bennett Find cem in Hwy. Williams Co. ND. So maybe she not got this name wrong after transcribed (three children maybe) dropped in office in Watson, Iowa Bentley?

Find a Grave info that has listed Annie and Williams stone and has stated they had 4 children Lizzie, John, Clara Elizabeth, Albert William and Mildred Shelby.

Family Group Record

Husband John Bennett Jr

Wife Tryphena Elizabeth Bresee

Notes

CHILD 4 - Tryphena Elizabeth Bennett
All info from Lois Schultz, Virginia Beach, VA Dec 2009.

She had no children

1895 said lived Webster, IA. Internet site Ancestry.com had several Tryphena Bennetts listed. Some this one and some others probably not.

CHILD 5 - John Sargent Bennett
Info from Lois Schultz, Virginia Beach, VA Dec 2009

She said John was born in Webster co. IA and died same year in "On The Lizzard" with his Mother Remains were moved to Humboldt in 1934. What that means isn't exactly understood.

CHILD 6 - unknown Bennett
Listed as unknown child by Lois Schultz, Virginia Beach, VA Dec 2009

CHILD 7 - unknown Bennett
Listed as unknown child by Lois Schultz, Virginia Beach, VA Dec 2009

CHILD 8 - unknown Bennett
Listed as unknown child by Lois Schultz, Virginia Beach, VA Dec 2009

Notes

HUSBAND - William John Rathke
Info from Lois Schultz, Dec 2009.

WIFE - Annie Jeanette Janet Bennett
Info from Lois Schultz Dec 2009.
Since Annie's grandmothers name was Louise Jeanetta I would guess middle name was that.

Said Annie Jeanette or Janet was born in 1880 Charles City, IA in a hotel.
Married William John Rathke 1904 in Enderlin, N. D. and died 1961 Humboldt, IA.

Died Saint Joseph's Mercy Hospital, Fort Dodge, IA and buried Union cem. Humboldt.

Was stated she married 20 Feb 1901 in Corinth, Humboldt, IA to Gerd Griepenburg.

Faye Francis sent info on a Minnie Rachael Bennett that was suppose to be Minnie Rachel Ruth Rathke in the Sunset Rest cem at Ray, Williams Co. ND. So maybe internet got the name wrong when transcribed.(these children maybe children of brother of William John Rathke?

Find a Grave internet site listed Annie and Williams stone and info listed they had 4 children Lester John, Clara Elizabeth, Albert William and Mildred Gladys.

HUSBAND Francis "Frank" VANDEWALL-93 Yr of Birth 1822
WIFE Jane Ann RUSSELL-84 Yr of Birth 1829

Expedition met an untimely death in that far away icy country. William, Frank, Walter, Emma, (Mrs Tennant,) Mary, (Mrs Alcorn) and Carrie with their aged father are left to mourn, and all, except the first named were present to pay earth's last tribute to a most exemplary mother and wife.

Mrs Van de Wall had been for many years a sufferer. For five years she had not walked. Much of that time she was in severe pain, and yet all who have known her are unanimous in their testimony of her meekness, her gentleness and a patience almost sublime. Much grief and many burdens have been hers. But through tears were blinding her own eyes, there was ever a smile, a comforting word or tender touch for another's needs. A great forgetfulness of self, a beautiful gratitude for every blessing, an unwavering faith and invariable patience, these were among the highest attributes of her nature. If she had faults, the greatest was a total blindness to the faults of others. Charity, that sweet charity that "suffreth long and is kind; that vaunteth not itself, is not easily provoked, thinketh no evil, blesseth all things, hopeth all things, endureth all things," this was her creed, and she lived it unobtrusively, quietly, humbly. What finer tribute could be given than the words of the venerable and bereaved husband after more than half a century of companionship. "I am old and have seen great sufferings and many changes, but never have I seen so great patience, so sweet a nature as mother had." And Carrie the affectionate daughter, who has given with undiminishing and unswerving devotion, youth and health to the care of an invalid mother, has now unspeakable consolation in the sweet memory of the many loving words of approval from the dear one so dutifully tended. The father too is comforted by the knowledge that so faithful a daughter will never forsake him.

A brief but impressive service was conducted at the home on Thursday afternoon at 2 o'clock by Rev Morgans, and the beloved remains where laid to rest at beautiful Hillside.

A short poem then signed B.D.S.

CHILDREN: Her obituary listed they had 11 children, four dying in infancy and 1 after maturity before she. I don't know the names of the children dying in infancy so will only list the ones known.

CENSUS RECORDS: Believe Jane would be 1 year old in 1830 census records and there was a Barnabas Russell in Lewis Co. NY with a daughter of to 5 years. Although her obit said she was born in OH, we find no Barnabas in OH index. 1840 she would be about 11 years and the one Barnabas Russell in Summit Co. OH has a daughter age 5/10 that could be her. Since married in Apr of 1850 she would probably be with her husband but was not located in Grant Co. WI. 1855 WI state census lists one Francis Vandewall in Bad Ax Co. Kickapoo Twp, WI. 1860 Grant Co. WI Jane age 30 WI is with husband and 2 children. 1870 Grant Co. WI Jane is age 40 OH with husband and 6 children. 1875 state census listed F. Vandewall with 1 male and 1 female i household (maybe didn't list children). 1880 Grant Co. WI Jane is age 43 OH with husband and 5 children. 1900 Grant Co. WI did not locate them and they should have been there.

High School Notes.

Mr. Skinner, state temperance lecturer, gave the high school students an interesting talk Tuesday morning on "The school system of England as compared with that of America." Mr. Skinner has spent most of his life in England and has been a citizen of this country but for four years. In his talk he showed what splendid opportunities every one has for getting a good education in America. In the afternoon he addressed the students on the north side on "London."

On Thursday of this week the football team will play Boscobel High school at the Boscobel fair. This is Laucasters first game but the team is in good condition and determined to win.

At a meeting of the Senior class which was held Monday, it was decided to publish an Annual at the end of the school year. Another meeting will be held in the near future to arrange the work. Wedding Bells.

On Wednesday morning, Sept. 26th, occurred the marriage of Miss Myrtle Kinney, the daughter of our respected neighbor, V. H. Kinney, to Burr Walker.

More thar one hundred and forty friends gathered at the country home of the bride's parents, which was tastefully decorated, and witnessed the nuptial ceremony as performed by Rev. J. T. Morgans, pastor of the M. E church. The bride wore cream colored landowne beautifully trimmed, and carried cream roses. She is a young lady loved and respected by all who know her, and will prove a true help-mate to him who has been so fortunate as to win her affection. She is a graduate in the class of 1901 of the Lancaster high school and has been a successful teacher. The groom looked his best in a suit of the conventional black. He is well known about here, and is pronounced a worthy and estimable gentleman.

Miss Josephine Hudson acted as maid of honor, Robert Kinney, brother of the bride, as best man. Estella Walker, sister of the groom and Miss Tressie Smith, as bridesmaids, while Belva and Pearl Kerr were ribbon girls.

Miss Helen Brooker, a classmate of the bride, played in soft strains a wedding march, and the group where mingled childhood, youthand old age listened to the words that made Mr. Walker and Miss King man and wife. After the ceremony the usual order of congratulations followed and then the guests were invited to the dining room where an elegant repast had been prepared and which was thproughly enjoyed by all present. Old Settler Passes away.

Roxana Rounds was born in the state of Massachusetts Jan. 3, 1817, and died at Fennimore, Wis., Sept. 13, 1906, aged 89 years, 8 months and 10 days. She was married to Robert Munns of New York, Oct. 11, 1835. To them were born twelve children. She leaves one brother and two sisters, Andrew Rounds and Mrs. Baker of Michigan, and Mrs. Simons, of Superior, Wis. Ten children survive her: Mrs. Harriet Gingrich of Lancaster, George R. Munns, Fennimore, Mrs. Julia Simmons, of Boulder, Colo., Mrs. Mary Blanchard of Hickory Grove, Lydia McElwain, Dennison, Iowa, Henry Munns, deceased, Perry Munns of Fennimore, Emma Kreul of Laurens, Iowa. Lyman Munns died in infancy. She also leaves 37 grandchildren and 42 great grandchildren living.

Soon after her marriage to Mr. Munns they went to Howard, Livingston Co., Mich., where the first years of their married life were spent. In the year 1844, they moved to Belvidere, Ill., living there only two years. From there they came to Fennimore, where they lived until their end came.

When they settled in the town of Fennimore 60 years ago, they soon acquainted themselves with the hardships of pioneer life. Their neighbors were scarce and far between, with woods all around inhabited with bear and wolves. Mr. and Mrs. Munns put their shoulders to the wheel of progress and soon had a comfortable home situated on the main traveled road between Lancaster and Boscobel, where it was turned into a tavern for weary travelers passing that way. Besides the usual hardships of early pioneer life, they at one time lost all their cattle by their straying away. They had but two horses left. After spending many days in fruitless search for the cattle and much money, they set to work to accumulate more earthly possessions.

When the civil war broke out two of their boys enlisted, George R., who served during the entire service and Henry who was killed in the battle at Atlanta, July 12, 1864. Mr. Munns died at their home April 9, 1884.

Mrs. Munns was engaged in religious work of some sort until infirmity and old age compelled her

Mrs. Munns was engaged in religious work of some sort until infirmity and old age compelled her to remain at home. She united with the M. E. church in 1850, and when the Evangelical Association organized a class at the Rock schoolhouse, she placed her name there and remained a member of that body until God took her to her long home. She was a lover of the Scriptures and daily read them or had them read to her.

About the last six months of her life she was afflicted with blindness and loss of mind. June 13 she fell and dislocated her hip, causing much pain. From that time on she was bedfast and most of the time unconscious.

The funeral services were held at the Bethel church, conducted by the Rev. Nickell of Wauzeka, interment in the joint cemetery nereby.

fortunate as to win her affection. She is a graduate in the class of 1901 of the Lancaster high school and has been a successful teacher. The groom looked his best in a suit of the conventional black. He is well known about here, and is pronounced a worthy and estimable gentleman.

Miss Josephine Hudson acted as maid of honor, Robert Kinney, brother of the bride, as best man. Estella Walker, sister of the groom and Miss Tressie Smith, as bridesmaids, while Belva and Pearl Kerr were ribbon girls.

Miss Helen Brooker, a classmate of the bride, played in soft strains a wedding march, and the group where mingled childhood, youthand old age listened to the words that made Mr. Walker and Miss King man and wife. After the ceremony the usual order of congratulations followed and then the guests were invited to the dining room where an elegant repast had been prepared and which was thproughly enjoyed by all present. Many handsome presents were received. After spending a short time in and about Chicago, visiting relatives, Mr. and Mrs. Walker will go to housekeeping upon a farm south of Lancaster. Life with its glorious possibilities lies open before them may the glowing tints light them to a fair haven sheltered by the rocks of happiness and prosperity.

(Mrs. Alcorn) and Carrie with their aged father are left to mourn, and all, except the first named were present to pay earth's last tribute to a most exemplary mother and wife.

Mrs. Van de Wall had been for many years a sufferer. For five years she had not walked. Much of that time she was in severe pain, and yet all who have known her are unanimous in their testimony of her meekness, her gentleness and a patience almost sublime. Much grief and many burdens have been hers. But though tears were blinding her own eyes, there was ever a smile, a comforting word or tender touch for another's needs. A great forgetfulness of self, a beautiful gratitude for every blessing, an unwavering faith and invariable patience, these were among the highest attributes of her nature. If she had faults, the greatest was a total blindness to the faults of others. Charity, that sweet charity that "suffreth long and is kind; that vaunteth not itself, is not easily provoked, thinketh no evil, blesseth all things, hopeth all things, endureth all things," this was her creed, and she lived it unobtrusively, quietly, humbly. What finer tribute could be given than the words of the venerable and bereaved husband after more than half a century of companionship. "I am old and have seen great sufferings and many changes, but never have I seen so great patience, so sweet a nature as mother had." And Carrie the affectionate daughter, who has given with undiminishing and unswerving devotion, youth and health to the care of an invalid mother, has now unspeakable consolation in the sweet memory of the many loving words of approval from the dear one so dutifully tended. The father too is comforted by the knowledge that so faithful a daughter will never forsake him.

A brief but impressive service was conducted at the home on Thursday afternoon at 2 o'clock by Rev. Morgans, and the beloved remains were laid to rest at beautiful Hillside.

"How could we mourn like those who are bereft.
When every pang of grief
Found balm for its relief
In counting up the treasures she had left?
Faith that withstood the shocks of toil and time:
Hope that defied despair;
Patience that conquered care,
And Loyalty, whose courage was sublime.
The great deep heart that was a home for all,
Just, eloquent and strong.
In protest against wrong
And charity that knew no sin, no fall."

B. D. S.

She Is Heard From.

The young lady who read that beautiful graduating essay at last year's commencement, so full of lofty thought and charming sentiment, 'on the threshold of life's opening day,' 'ambitions highest aims alone,' ever upward and onward,' 'spreading sunshine in the path of the weary and the worn, 'with a fond determination to win a name and fame,' and much more, all so beautiful, beautiful! Has she won the name? And is she being heard from?"

"Oh, yes. Yes, yes! She has won a name. Scrubsby, I think it is. And she is being heard from. The way Scrubsby hears from her, so the neighbors say, is enough to scare cats!"

—Everyone is invited to drop into Harvey Schmidt's and get a cigar—or something else if you do not smoke. It's a boy born yesterday.

Dear Gladys,
Thank you or taking my call just now. It is great to talk to other people with the same interests.

Anyway, Flora Schmidt was born 10Feb1870 in WI, died after 1891 in Minneapolis or area, MN. She married George Vandewall at that Methodist Episcopal Church in Platteville, Grant Co, WI on 4May1890. They had 2 sons Luther born in MN and Otis.

the story is that he went to Alaska to find gold and died in a snow blizzard- buried in his dwelling. I do find the name Fred in 1920 and 1930 census in Alaska.

That is all I have so will wait for your answer.

Thanks again, Mary mschmidt@pensys.com

Hi Mary,

Was nice to talk to you as well and hello Cousin.

George H. VANDEWALL (as the correct spelling) was born abt 1868 in Grant Co. WI. He was the son of Francis "Frank" Vandewall and Jane Ann Russell. He md Flora (Florence) Schmidt 4 May 1890 Lancaster, Grant Co. WI. Recorded in Bk 11 pg 165 witnessed by Bertha Reises and W.M. Martin. George was listed as clerk for merchant in Lancaster. She was the dau of Antony Schmidt and Catherine Paul (according to her marriage licence). Her mother Catherine was living with Flora in Grant Co. WI census in 1900 along with her two sons, Luther and Otis. (I don't have birth of Catherine Smith as was written, don't know if not there or at the time wasn't aware I needed it).
The date of his death is not known but was before his mother died in 1906 as was stated he had joined the Lancaster Alaskan Expedition and died on that trip in Alaska.
His two children, Otis born in Grant Co. WI. His birth certificate in Bk 4 pg 248 named his parents. Luther B. also born in Gratn Co. WI according to his birth certificate in Bk 5 pg 17 and he was 2nd child.

Flora (Florence was born10 Feb 1890 Grant Co. WI and died after1900. Her name has been spelled Smith and Schmidth and Schmidt. Father probably Anthony Schmidt and have no other info on them.

Parents of George H. VandeWall was Francis "Frank VandeWall b. 22 Oct 1822 London, England and died 25 Apr 1912 Lancaster, Grant Co. WI buried in the Hillside cem, Lancaster. It is believed his parents were William and Emeline Freeman VandeWall but not certain where I picke up that info. It is believed that Henry Van de Wall was a brother as he was born abt 1816/20 also in England and died after1870 md 27 Nov 1850 Grant co. WI to Dorothy Russell b. ca 1834 and died after 1870. The last name has always been listed as VanDeWall with several variations of that from Vandewall, Van De Wall, VandeWall, Van de Wall.
Henry had 3 daughters Mary b ca1853, Jane 1860 and Louisa 1862 and in 1870 Dubuque Co. IA pg 156 Henry VanDerWald 54 Eng/ , Dorothea 36 w/ 2 dau Mary 17 & Louisa 8. (last known of them)

Frank was a Photographer in Lancaster for many years. Besides his obituary and a nice article in the Grant Co. History, tells of this. His death certificate recorded in Grant Co. WI Bk 14 pg 261, informant was dau Carrie VandeWall. Goble & Dyer were undertakers. He was located in all the census from 1855 thru 1900.
Said he came to America in 1845 and Grant Co. that same year. However nothing menions his brother, Henry or parents that I have listed. He married 4 Apr 1850 Lancaster, WI to Jane Ann Russell b. 20 Dec 1829 Cuyahoga Co. OH and died 24 Sep 1906 Lancaster, WI Buried Hillside cem. She was the dau of Barnabas Russell and Sarah "Jane" Potter. (of which I have some info on parents, much on all children). Barnabas and Sarah's dau Rachel Mariah md Hawley Lowe (my direct line). Sarah and many of her 12 children lived and died in Grant Co. WI except for Hawley Lowe and they went to Adair Co. MO.
Barnabas died in Deleware Co. IA ca 1846 and Jane raised all the children in Grant Co. WI.

Jane Ann Russell VandeWall death certificate recorded Grant Co. WI Bk 5 pg 165. She and Frank

Family Group Record- 26

Husband **Sylvester W. RUSSELL-87**

Wife **NOT MARRIED-96**

Notes

HUSBAND - Sylvester W. RUSSELL-87

Info was from family that handed down what little info we have to date and census info.

Could Sylvester's middle initial be Winslow?????? We think Barnabas's father was Winslow Russell?

DEATH: Information on death of Sylvester, said he died in Washington DC of disease in Civil War. He was said to have been buried at Arlington Heights cemetery. He enlisted in Co C. 6th WI Inf. 18 May 1861 from Grant Co. WI. (Should get record).
Death date could be 7 Dec 1861?
May have been buried in the US Soldiers and Airmen's Home National Cemetery, Washington DC as that is where located one Sylvester Russell, none listed at Arlington Heights cem. Printed out a picture of Sylester Russell stone from "findagrave" website and could be this person but need much more research on military to be sure.

CENSUS RECORD:

1850 Grant Co. WI. Dist 24 pg 1 Sylvester Russell age 10 OH in household of sister and family, Sargent Bresee and Louisa and their 3 children.

1860 Grant Co. WI Lancaster Twp. pg 123 Sylvester age 19 OH in home with mother and 3 other children.

Internet site "Findagrave" had one Sylvester Russell listed as died 7 Dec 1861 and buried in Memorial # 35809317 from the "US Soldiers' and Airmen's Home National Cemetery, Washington DC. So if Sylvester did die in Washington DC he may have been buried in this cemetery and not Arlington as they had no Russell buried in Arlington Cem. records but this cemetery did have date, off by one day of same death date we had for Sylvester W. Russell, son of Barnabas and Jane Potter Russell.
Had a picture of his stone on this site but name only listed as Sylvester Russell and birthdate was listed as unknown.

There was a Co C. 6th WI Inf on internet that said was started in Juneau Co. WI 20 June 1861 to 14 Jul 1865. Located very little on this Co. but had no Sylvester Russell in what was able to find, but also said the list was not complete. This county was not that far from Grant Co. so could have had a recuriter in Grant Co. or he actually had gone to Juneau Co. as about 2 counties north of Grant. Again family info said Sylvester signed up 18 May 1861 from Grant Co. WI. So date again close to what was handed down and they could have been signing up fellows so would have enough to form the Company before it became a company. Need more info on this CO.

Checked internet site "gravelocator.cem.va.gov that is to have all burials listed in a national cemetery and had Arlington cem listed as others but no Sylvester Russell. Checked Civil War company he was to have enlisted in and found some info on the company but nothing other then date started and ended from Juneau Co. WI, not Grant Co. Put in several different things and only on Findagrave site did find one Sylvester Russell with same death date as our Sylvester Russell that was handed down thru the family info. Could be this person or someone found this info and assumed it was this person so until more research is done we do not know absolutely it is this person. -GLT Apr 2010

BIRTH: Census records list age 27 b. OH and marriage licence says born in Saybrock (where ever that is?)

MARRIAGE: Marriage record of David Burch and Julia Russell recorded Grant Co. WI Book 3 pg 213 says David was blacksmith in Lancaster and his parents were W.& M. Burch. David was born at Saybrock, ?.

DEATH: Have not located death date or place for David. There seems to have been two David Birch's in Grant Co. at the same time and had thought the one that died 29 Jun 1918 was this David but have found proof that it is not.

Census records show one David Birch with father Joseph 1850 age 5 and 1860 age 14 and also proved this David was not our David Birch.

CHECK SKIPTON (1592) YORKSHIRE, ENGLAND FOR PARISH RECORDS

OF JOSEPH AND ISABELL (?) BIRCH

JOSEPH AND MARY (?) BIRCH

WILLIAM AND M. BIRCH AND DAVID EZRA BIRCH

WHERE IS SAYBROCK, ENGLAND?

WHERE IS SKEFFLING (EAST RIDING, YORKSHIRE)

CHECK BOOKS:

BURKES KEY TO THE ANCIENT PARISH REGISTERS OF ENGLAND AND WALES
BY ARTHUR M. BURKE PUB 1908 LONDON. Alpha list of parishes

A TOPOGRAPHICAL DICTIONARY OF ENGLAND BY SAMUEL LEWIS 1831
PUB LONDON.

Rev David L. Birch of Macksville, KS called me 22 Sep 1993 and said he was descended from the line of Jospeh and Isabell Birch.

ALSO SAID THEY MAY DESCEND FROM JONATHAN AND ANN BIRCH OF LINTON, ENGLAND, CRAVEN DISTRICT OF YORKSHIRE.

ALSO THERE WAS A MUSEUM IN SKIPTON ON LEAD MINES AND THE BIRCHES WERE SHOE MAKERS AND ABLE BIRCH WAS ONE OF FIRST ONES TO MAKE SHOES THAT ARE IN THE MUSEUM. THEY WERE SHOEMAKERS IN THE 1830-40'S.

HE SAID HE FOUND INFO ON WILLIAM AND M. BIRCH IN THE SKIPTON PARISH RECORDS OF YORKSHIRE ENGLAND GAVE ME PAGE # 11,659 (i'm wondering if that is film #?)

THE BIRCHES LIVED IN LINTON, WHICH IS CLOSE TO SKIPTON. HE BELIEVES WILLIAM AND M. BIRCH ALSO DESCEND FROM THE EARLY BIRCH LINE. NAME ALSO WAS SPELLED BURCH IN RECORDS.

WHICH MAYBE A REASON WHY THEY MOVED TO GRANT CO WI AS THERE WAS LEAD MINING THERE AND IF THEY CAME FROM THAT BACKGROUND THAT MAY BE THE REASON.

GRANT COUNTY

Sources for David: BIRTH: The cemetery record of Dodge cem. list one David Birch 1846-1918 and could be this one. Death certificate of only one David Birch says he was married to Eunice ? and her death certificate says she was married to David Birch. Have not found their mg licence. Also a daughter listed for them in death records says Agnes Birch died 1884 and David and Agnes were her parents. Yet the death record of Julia Russell Birch says she was married to David Birch and they had children from 1864 to abt 1880 and she didn't die until 1893. Was David married 2nd before Julia died??? HUSBAND - Joseph BIRCH-194

Sources:

Joseph was married 1st, it is believed to Isabell ?, according to a marriage record of his daughter Maria and she died and he married 2nd to unknown and she died in route on the ship from Liverpool to US in spring of 1849.

Obit of Joseph list one daughter, son David and son Samuel surviving him. Said his wife and 2 children died before he came to US in England.

Obit from Teller newspaper from Lancaster 9 Jan 1902.

Headed Beetown

At the dawning of the New Year, that mysterious change we call death came to "Grandpa" Birch, whose illness was mentioned in last week's Teller. The venerable suffer knew its approach, and tenderly bade goodbye to those about his bed, assuring them that all was well with his soul. At the beginning of his illness, he had objected to the efforts made for his recovery, daying that the Lord had blessed him with great length of days, and a wonderful measure of strength, and now the final summons had come and he was glad to go. He did not want to linger and be a weight upon those who had always been kind to him, and who were now caring so tenderly for him. He repeatedly spoke of the goodness that had followed him all the days of his life, and requested that the Rev. J. A. Jamison preach his funeral serman, and that the obsequies be conducted among those who had known him for so many years, and who, he knew would respect his memory. His wishes were all fulfilled. The Masons, of which order he had been for many years an honest member, headed a long procession from the house to the village church, where a large crowd listed to the solemn service, and looked for the last time upon the peaceful countenance of the aged sleeper.

"Grandpa" Birch, as he was called by all, had been a resident of Beetown for thirty-five years, and was a familiar figure to all inhabitants or frequenters of the town. He was always a peaceful man, a law abiding citizen and a loyal friend. The finger of Time, that works such sad havoc in human face (?) and form, delt very leniently with him. Even the common infirmities of old age touched him lightly. He continued remarkably alert and active up to the final illness. He will be missed by all. And the home where he has been three decades and more a well loved member, the "vacant chair" will bring unbidden tears. "Grandpa" was always there; he helped to rear the children. To his daughter-in-law, Mrs Sarah Birch, he has been all through her married life a kind father, a considerabel companion; and a great helper, and none will miss him quite so much as she.

Joseph Birch was born at Skifeton, in the west of Yorkshire, England,, January 6, 1813. Emigrated to America in the spring of 1848, settled near Potosi. Came from there to Beetown in 1862, where he resided until his death, Jan. 1, 1902. He buried his wife and two children in England. Three children survive him, Mrs Marion Houghton and Samuel of Beetown and David of North Andover. Deceased also leaves fifteen grandchildren and twenty-four great grandchildren. A grave was made in the Dodge cemetery, in Beetown soil, as the aged man had requested. And, we trust the soul has gone home to that beautiful

On their way to WI they went up the Hudson and across the state on the Erie canal then took a Great Lakes sailing boat to Milwaukee and then by wagon team to Rockville.

He said he stayed in Rockville until he was 17 then went to Beetown where he bound himself out for 3 years to Robert Hicks, a blacksmith. The first year he worked for him he received $40, the second $60 and 3rd $80, board and washing were included.

When he was 20 he decided to go west and made a deal with Jake Slaght to go across the plains. On April 14, 1863, he and Jake and his wife Margaret Hayden and their baby left headed west. They crossed the Mississippi at Dubuque then followed the overland trail through northern Iowa to Council Bluffs. There was a part of 40 wagons. In the party a number from Potosi, among them Billy, Paddy and Henry Bell of Potosi.

Went south from Omaha to Plattsmouth and then west thru the Platte valley. Between Ft Kearney, NE and Laramie, WY the Indians stampeded our horses. A party of our boys followed the Indians and rescued our horses.

We went on across Wyoming and reached the Mormon country in Utah, who were very unfriendly to the settlers so went on towards Grantsville, Utah. Going thru the desert to Grantsville, went thru Indian Springs to Willow Springs, Utah. There we ran into trouble. There had been a military post there, 12 soldiers

At the dawning of the New Year, that mysterious change we call death came to "Grandpa" Birch, whose illness was mentioned in last week's Teller. The venerable suffer knew its approach, and tenderly bade goodbye to those about his bed, assuring them that all was well with his soul. At the beginning of his illness, he had objected to the efforts made for his recovery, daying that the Lord had blessed him with great length of days, and a wonderful measure of strength, and now the final summons had come and he was glad to go. He did not want to linger and be a weight upon those who had always been kind to him, and who were now caring so tenderly for him. He repeatedly spoke of the goodness that had followed him all the days of his life, and requested that the Rev. J. A Jamison preach his funeral sermon, and that the obsequies be conducted among those who had known him for so many years, and who, he knew would respect his memory. His wishes were all fulfilled. The Masons, of which order he had been for many years an honest member, headed a long procession from the house to the village church, where a large crowd listeded to the solemn service, and looked for the last time upon the peaceful countenance of the aged sleeper. "Grandpa" Birch, as he was called by all, had been a resident of Beetown for thirty-five years, and was a familiar figure to all inhabitants or frequenters of the town. He was always a peaceful man, a law-abiding citizen and a loyal friend. The finger of Time, that works such sad havoc in human face and form, dealt very leniently with him. Even the common infirmities of old age touched him lightly. He continued remarkably alert and active up to the final illness. He will be missed by all. And the home where he has been for three decades and more a well loved member, the "vacant chair" will bring unbidden tears. "Grandpa" was always there; he helped to rear the children. To his daughter-in-law, Mrs. Sarah Birch, he has been all through her married life a kind father, a considerate companion and a great helper, and none will miss him quite so much as she.

Joseph Birch was born at Skifston, in the west of Yorkshire, England, January 6, 1813. Emigrated to America in the spring of 1848, settled near Potosi. Came from there to Beetown in 1862, where he resided until his death, Jan. 1, 1902. He buried his wife and two children in England. Three children survive him, Mrs. Marion Houghton and Samuel of Beetown and David of North Andover. Deceased also leaves fifteen grandchildren and twenty-four great-grandchildren. A grave was made in the Dodge cemetery, in Beetown soil, as the aged man had requested. And, we trust the soul has gone home to that beautiful land, where comes no parting from those that we love.

And its flowers are fragrant and fair,
Its inhabitants never grow weary nor old,
For the Lord reigns eternally there."

They thought the father was to meet them but he didn't and one day he saw their Uncle John Sowden (John and Eliza Sowden) relatives who lived nearby in New Jersey had come to take them to their home till the father could come and get them.

On their way to WI they went up the Hudson and across the state on the Erie canal then took a Great Lakes sailing boat to Milwaukee and then by wagon team to Rockville.

He said he stayed in Rockville until he was 17 then went to Beetown where he bound himself out for 3 years to Robert Hicks, a blacksmith. The first year he worked for him he received $40, the second $60 and 3rd $80, board and washing were included.

When he was 20 he decided to go west and made a deal with Jake Slaght to go across the plains. On April 14, 1863, he and Jake and his wife Margaret Hayden and their baby left headed west. They crossed the Mississippi at Dubuque then followed the overland trail through northern Iowa to Council Bluffs. There was a part of 40 wagons. In the party a number from Potosi, among them Billy, Paddy and Henry Bell of Potosi.

Went south from Omaha to Plattsmouth and then west thru the Platte valley. Between Ft Kearney, NE and Laramie, WY the Indians stampeded our horses. A party of our boys followed the Indians and rescued our horses.

We went on across Wyoming and reached the Mormon country in Utah, who were very unfriendly to the settlers so went on towards Grantsville, Utah. Going thru the desert to Grantsville, went thru Indian Springs to Willow Springs, Utah. There we ran into trouble. There had been a military post there, 12 soldiers

HUSBAND - David BIRCH-785

Had thought this David was the husband of Julia Russell but there seems to have been two David Birch's close in age and both being blacksmiths but Death certificate and obit clearly states this David was married to Eunice French and had different children, at the same time David and Julia Birch/Burch were having children so we now know we have two David Birchs. Have located all info on this David but very little on other David to date.

I have researched death records in Grant Co. WI. until ca 1915 and did not locate any record of James and Sarah

++++++++++++++++++++++++++++++++++++

There's others working on Russell lines, not this one, however.

If the statement that James F. Russell md his ~~first cousin~~ 2nd cousin we can beleive James W. was ~~brother~~ uncle to Barnabas b. 1795-1800 NY. Beleive they came from Rensselaer Co. NY. Then Barnabas and family went to Summitt Co. OH, then Grant Co. WI. He died 1845-6 in Delaware Co. IA So haven't been able to find any more info on him but do have info on his wife and children. His wife died after 1873 prob. Grant Co. WI. Many of his children lived in Grant Co. for many years.

Don't have anymore on any of James's children except James F.

Barnabas + James fathers might be brothers

Dear Gladys,

Approximately four years ago, about this same time, you and I had corresponded regarding the Deans of Grant county, Wisconsin. I must confess, I have not learned much more than the last time I wrote to you.

However, I have learned this. In 1850, Harmon and Laura Dean were living on a farm in Ellenboro, Twp., Grant county, Wisconsin. In the 1860 census, they were living with one of their sons around Boscobel, Grant county, Wisconsin, and they were not to be found in the 1870 census. This all makes sense, as they left Ohio and settled in Grant county.

Approximately one month ago I was at the courthouse in Grant county, and did not find a death record of either Harmon or Laura, I would guess they did not record it. I also checked the probate records and found nothing, which also would make sense, as they were probably poor and we knew they were already living with a son.

I still believe your Sarah Minerva Dean was a daughter of Harmon and Laura. I have enclosed a very sketchy family tree of what children I do know of and about the dates, also guestimates.

My sister-in-law is trying to help me with this lost branch, and some how they have come across descendants of a Peter Dean who may have fought in the Rev. War. They still live around Ellenboro, Wisconsin, and she is trying to help us get some information through some other line that married into the Deans. I have spent more time with this line and the Curry line and have hit brick walls. One nice thing about this is, my husband is from Grant county and his sister is running for the Treasurer of the county, so she is at the courthouse everyday, and does help me at times.

I don't know if this is any help or not, let's try and piece it together.

Sincerely,

Gloria Kaethorn

I, Lucinda E. Russell, of the town of Potosi, Grant County, Wisconsin, residing at British Hollow in said town of Potosi, being of sound and disposing mind and memory, do make, publish and declare this my last will and testament, hereby revoking all former wills, bequests and devises made by me.

1st. It is my will that out of my personal estate my funeral expenses, doctors' bills and all my other just debts be first fully paid and that a tombstone not to exceed Two Hundred Dollars in cost be provided for me.

2nd. I give and bequeath to my grandson, William Clark, the son of my deceased daughter, Eva Clark, the sum of One Hundred Dollars in the manner following and according to the following conditions: The said sum of One Hundred Dollars shall be put out at interest until my said grandson, William Clark, is 21 years of age, and said sum of One Hundred Dollars shall be paid to him on his becoming 21 years of age provided and on the condition that he does not, before reaching that age, resume or start living again with his father, Henry Clark, or stay with his father, the said Henry Clark, and provided that, until reaching said age, my said grandson, William Clark, shall live separate and apart from his said father. In the event that my said grandson, William Clark, shall die before reaching said age of 21 years, then it is my will that said sum of One Hundred Dollars or as much thereof as is necessary shall be used for the purpose of paying his funeral expenses, and the balance not used for that purpose shall go into the residue of my estate, to be distributed as a part of said residue. If my said grandson, William Clark, shall resume or start living again or stay with his said father before reaching said age of 21 years or shall not, until reaching said age, continue to live separate and apart from his said father, then said sum of One Hundred Dollars, instead of being paid to said William Clark, shall go into and be distributed as a part of the residue of my estate. The interest on said One Hundred Dollars shall go into and be distributed as a part of the residue of my estate and shall not be paid to my said grandson, William Clark, with said One Hundred Dollars in case the said sum is received by him as above provided, no more than the said sum of One Hundred Dollars to be paid him in any event from my estate.

3rd. I give and bequeath to my sons, Charley Russell, Everett Russell and Sylvester Russell, and to my grandson Barney Clark, the latter being a son of my said deceased daughter, Eva Clark, the sum of One Dollar($1.00) each, the said sum of One Dollar being the full amount given and bequeathed to each of my said three sons above named and to my said grandson, Barney Clark, by this my last will and testament.

4th. I give, devise and bequeath to my son, Frank Russell, of said Town of Potosi, Grant County, Wisconsin, all of my estate of whatever name, title or description, real, personal and mixed, excepting only that part of my estate hereinbefore bequeathed or otherwise disposed of, for the purpose of being used to the extent necessary for his needs and proper support during his life-time, the property given him in this will and not used for his support and funeral expenses to go to whoever looks after and cares for him during his life-time, my said son, Frank Russell, being deaf and dumb.

5th. I do hereby constitute and appoint Henry D. Bresee of the City of Platteville, Grant County, Wisconsin, executor of this my last will and testament, and it is my will that no bond or other security be required of him for the faithful performance of said trust.

I sent a message to a guy who had created a memorial for Barnabas Russell, Jr. asking if he knew any male surviving Russell descendants. I told him I was interested in finding one who might want to do the DNA test which would show who our Russell family was descended from. He contacted the guy, also a Barney Russell, and asked him if he'd want to do the DNA test. This Barney Russell is the great-grandson of Barney Russell, Jr. (Mariah's brother). I got an e-mail yesterday asking me about how the DNA test would work, if there would be any cost to him, and a few other questions. I will reply to the guy later today and send him the info from ancestry.com (if that is who does the testing). I really don't know much about the DNA research other than what I've read in e-mails from ancestry.com telling me that they do it and how much it costs. I sure wish I had tons of money... I would pay for the guy to have the test. Unfortunately I'm on a very limited income and can't even afford right now to even have a paying membership to ancestry.com, let alone pay for any additional things like DNA tests! It would be nice to put to rest who our Russell ancestors really were, and even nicer to find out that we are descendants of Peregrine White through James Russell and Mary (White) Russell. If Barnabas Russell and Judith (Penney) Russell were our Barnabas Russell's grandparents, we would also be descended from John and Priscilla Alden because Judith Penney has been proven to have been one of their descendants.

I hope this weather has been kind to you! We've had tons of snow down here and today there is a layer of ice on my deck and the roads. I'm going to be stuck in the house until it melts because I cannot walk on slick surfaces. I can't remember if I told you but I am partially paralyzed from the chest level down... I walk but I'm not the greatest at staying upright on anything the least bit slick!

Hi Deb,

It would be nice to find someone that would do a DNA test on our Russells but know there is an expense to it. When we had our Lowe cousin do ours there was 3 of us that pooled our money since we asked him and he would do it but didn't have the money either. Hoever we have but 1 connection in the 12 group and only 1 from the 24 group which was no help to us at all.

What is going on with your health? that doesn't sound good. What are they saying is going on and is it temp or permanent?

We have had snow on the ground since the middle of Nov and still have some days ahead they say snow. More then we have ever had in a winter. So far no ice but are saying we might get freezing rain and ice today. Which not looking forward to at all.

Best Wishes,
Gladys

ELLENBORO MAN VICTIM OF CAR SPILL

William E. Russell, town of Ellenboro farmer, died early Sunday evening as the result of injuries suffered in an automobile accident about 5 p. m. that day. Riding with Mr. Russell were his wife and a young woman, Charlotte Barr. The accident occurred about a mile and a half south of Beetown where the road takes a sharp turn over a bridge. The car failed to make the turn and plunged through the railing and into the creek. The car landed on its top and Mrs. Russell and Miss Barr were able to extricate themselves and hail a car. Felix Stimart and Ray Broihahn, who live nearby, were the men in the car. They removed Mr. Russell, who was alive at the time. Car occupants were all water-soaked, although the creek is shallow.

The Russells and Miss Barr were taken to the Chris Garner farm, a quarter of a mile away, and a doctor and an ambulance were summoned. Mr. Russell died of his injuries while enroute to the hospital in Lancaster. He was 56 years of age and is survived by his wife, three sons, Clinton and Clarence at home and Frank, in Camp Livingston, and a daughter, Mrs. Willard Caley of Cassville.

Funeral services are being held this afternoon, Wednesday, at two o'clock, the Rev. J. A. Vincent officiating, in the Goble-Weeden funeral home. Burial will be in Hillside.

Mrs. Russell suffered shock but was not otherwise injured. Miss Barr has a broken wrist from the accident.

HUSBAND - Sylvester RUSSELL-244

Info from son Frederick Rte 2 Box 60 Potosi, WI 53820, Nov 1984.

Really have to question his birth place as don't think his parents were ever out of Grant Co. WI. May have been visiting there but his marriage record says he was born in WI which is more likely.

MARRIAGE: Recorded Grant Co. WI Book 19 pg 17 said he was 21 and laborer living in Potosi and she was 26 living at S.Main in Potosi. Listed her parents as Loyd Smith born Canada and Lena Hinte b. Ill. Wit: Everett Russell. Frederick said father was Floyd Smith and Leona Hintgen. Age of Martha doesn't agree from mg record and Frederick.

DEATH: Info from Frederick, said he died in Cedar Rapids and buried Mt Clark cemetery in Central City, IA. Frederick also said Sylvester was born in Waterloo, IA and his mg rec says WI.

I checked the newspaper for Cedar Rapids, IA and found only one short article 24 May 1967 pg 3A col 8: "Sylvester Russell, formerly of 2223 Pine Ave SE, a Cedar Rapids resident the last 3 years, died in a Nursing Home Tuesday morning. he was born Sep 8, 1888, at Waterloo. There are no known survivors. Turner Chapel East at a time to be announced later. (didn't find anything later). This also doesn't fit with what Frederick said as he had several children.

1920 Grant Co. WI soundex ED 123 she 1 li 75 0/20: Sylvester Russell 26 WI, Marha 36 WI wife, Lena 9 Wi dau, Martha 6 Wi dau, Fred 5 Wi son, Syrena 2 6/12 WI dau.

Dear Rebecca,

I corresponded with your brother Frederick back in 1984 to hopefully get some help on the early Russell family but he didn't have much info but did send some info on his family of which I also was interested in receiving. At that time I wasn't able to follow up on his brothers and sisters so am now getting back to working on my Russell family and was wondering if you could help me with info on your family, also addresses of your sisters so I may also write to them?

I have enclosed what little I have on your family and would appreciate any info you have on the older Russell family as well.

I descend from Barnabas Russell Sr and Sarah Jane Potter Russell and their daughter ~~Rebecca~~ Hester who md Hawley Lowe and your line descends from their son Barnabas Jr. I am still looking for death date and burial place of Sarah "Jane" Potter Russell and know it was after 1873 as she sold land to Barnabas Jr at that time. Frederick said he didn't know anything of the older Russells but thought you might.

I am enclosing a family group sheet of which I would like you to look over and add to if you can and mail back to me.

Thank you for your help.

Sincerely, your cousin

Gladys

Hi Helen,

I so appreciate you sending me the info on the Russells and was wondering if I could bother you to send me a couple more names from your cemetery files?

I am looking for death of David Ezra Birch but also need some other Birch's, mainly his children. Have found it has been spelled Burch as well. Believe he died after his wife Julia Russell Birch in 1893 but have not located the date.

Also there were many Bresee that were buried in Lancaster and that name has several varients as well.

I have enclosed $10 for copies of the info if you are able to locate either of them.

Thank you so much for your time.

Gladys

Hi Helen,

I so appreciate you sending me the info on the Russells and was wondering if I could bother you to send me a couple more names from your cemetery files?

I am looking for death of Devid Esra Birch but also need some other Birch's, mainly his children. Have found it has been spelled Burch as well. Believe he died after his wife Julia Russell Birch in 1893 but have not located the date.

Also there were many Brooks that were buried in Lancaster and that name has several variants as well.

I have enclosed $10 for copies of the info if you are able to locate either of them.

Thank you so much for your time.

Gladys

Hi Helen,

I want to thank you so much for sending me the info on the Russells from Grant Co. cemetery records. Was able to pick up a couple of the later dates I didn't have as well as the death date listed for Jane Potter Russell.

I have been looking for the death date of Sarah "Jane" Potter Russell for several years. I have been to the county researching at the court house and the library a couple times and never found any info on her. As well as doing research at Madison library. She is my 3rd great grandmother and had found her in census records with her children and know her husband had died in 1845-6. The last I was able to locate Jane was in land sale to her son Barnabas Russell Jr in 1873.

Yet in all the cemetery records and court house records of death cert. I did not find any mention of her death. Which now brings up the question as to how did that info come to you in the cemetery cards? You have listed her maiden name which I had known and birth ca 1801-3 and it was listed her burial in an unknown cemetery. Why was the info known but not the name of the cemetery and how did the info come to be in the cemetery card file when I couldn't find it anywhere else? Somewhere this info must be listed other then cem. files but where?

I am writing to LaVon Hall and going to have her do some work for me on this as well now that I have a date, maybe there is something in the paper about her death. Maybe I overlooked the record in the death records at the court house so will have her recheck that for me, and try to find the answer to where did this info come from. I had written to her same time I did you, asking for cost of doing research for me as I needed some death and mg records but she tells me only can be had for $7 each and when I was there I could take the book and copy what ever I wanted which was probably a quarter, and now have to pay $7 each.

Dear Gladys:

Enclosed you will find the marriage and death records that you requested. I did not find any reference to Martha Jane Smith Russell's death record or an obit in the paper. You gave me a date of 13 Mar 1963. Is it possible that this is a wrong date?

We have been up-dating our cemetery records and it looks like we had found the newspaper clipping of Jane Russell. I copied the notice that was in the paper. We have no idea what cemetery she was buried in tho.

If I can be of further help let me know.

Sincerely,

LaVon Hall

Hi Gladys,

Nice visiting with you on the phone yesterday. Not sure why but today seems much warmer than yesterday and I have been uncomfortable. Wish we would get about 2 days of nice steady rain.

Jean Ellen is still out in Iowa City. The Dr. tried to remove the stone through her mouth but it is quite large and he wasn't confident about trying to take it out so they are waiting for the specialist to come back to the hospital to do it. He removed the last ones she had a few years ago. Guess she had quite a bit of infection in that area. Jean called me this morning and sounded pretty good but said she was very weak. They have her on a liquid diet and she is running a temp. As soon as that settles down, she can come home and wait for the other Dr. to set up her appt.. I told her I would call her this evening to check how she is doing. Always something.

I looked around on the computer for some of the Bresee and Bennett information and found a site on the ancestry message board - Re: Robert and Henrietta Bennett/Bennoch. It was posted 9 May 2011 by a descendant of this bunch through Jacob Bennett, I think a brother of John. Anyway, he has pictures of Annie and Tryphena but none of Louisa. His email is: andy440@mwt.net

So, if you want to contact him, that is where you can find him. Also, I tried to find Tryphena (married to John Bennett) in 1870 census but no luck. Did find a bunch of the family on find-a-grave. Some in N. Dakota. Interesting to see all those stones.

Will have to get to Dbq. this week even if it stays hot as need things from up there. Sure am tired of this weather. Probably won't stop raining once it starts.

Was sure surprised when I put in Tryphena Bennett at all the hits that came up. Now why can't we have that when I put in William and Jane Lowe? Those people sure must be somewhere in all that information out there.

Well, going to watch Frazier. He is on all day on the Hallmark Channel. This has been a very boring day. Will be glad to see it end. Most of the time, I can stay occupied but not each to do today.

Later.

Who is his wife in 1830 if not Sarah J. Bushnell or Rebecca Jane Barnhart? Was he married another time don't know about, maybe in SD?
Even thought we have different initials for James F.(A & L) in all 3 marriages, all records state his parents were James W. and Sarah Dean Russell and that he was born in Troy, NY. Only way that could have happened if correct was his parents were in NY, went to OH then back to NY then back to WI.

Haven't checked 1900 census and after in SD.

It has been said that Sarah Minerva Dean's parents may have been Harmon and Laura Dean. Harmon b. ca 1785 CT d. WI bef 1870 and Laura b. ca 1788 CT and died WI before 1870. Possibly 11 children, Sarah, Henry, Manley, Hermon and others? (haven't checked for them) They were said to be living in Ellensboro Two, Grant Co. WI in 1850 and 1860 were living with a son around Boscobel, Grant Co., not located after that.

Nothiing located on James W.'s parents and he was said to be born ca 1801 E. Troy, NY. Not located any info on any of their children besides James W. and Harriet.

So if James W. and Barnabas's fathers were brothers sure puts them both in same place

(12) Barnabas Jr. b. Feb 1846 Delaware Co. IA? d. 21 Jun 1924 Grant Co. Death cert. but not sure checked for obit as have no mention of it, but surely must have.

I think this is what you wanted to know about James F. as well.

I sent a message to a guy who had created a memorial for Barnabas Russell, Jr. asking if he knew any male surviving Russell descendants. I told him I was interested in finding one who might want to do the DNA test which would show who our Russell family was descended from. He contacted the guy, also a Barney Russell, and asked him if he'd want to do the DNA test. This Barney Russell is the great-grandson of Barney Russell, Jr. (Mariah's brother). I got an e-mail yesterday asking me about how the DNA test would work, if there would be any cost to him, and a few other questions. I will reply to the guy later today and send him the info from ancestry.com (if that is who does the testing). I really don't know much about the DNA research other than what I've read in e-mails from ancestry.com telling me that they do it and how much it costs. I sure wish I had tons of money... I would pay for the guy to have the test. Unfortunately I'm on a very limited income and can't even afford right now to even have a paying membership to ancestry.com, let alone pay for any additional things like DNA tests! It would be nice to put to rest who our Russell ancestors really were, and even nicer to find out that we are descendants of Peregrine White through James Russell and Mary (White) Russell. If Barnabas Russell and Judith (Penney) Russell were our Barnabas Russell's grandparents, we would also be descended from John and Priscilla Alden because Judith Penney has been proven to have been one of their descendants.

I hope this weather has been kind to you! We've had tons of snow down here and today there is a layer of ice on my deck and the roads. I'm going to be stuck in the house until it melts because I cannot walk on slick surfaces. I can't remember if I told you but I am partially paralyzed from the chest level down... I walk but I'm not the greatest at staying upright on anything the least bit slick!

Hi Deb,

It would be nice to find someone that would do a DNA test on our Russells but know there is an expense to it. When we had our Lowe cousin do ours there was 3 of us that pooled our money since we asked him and he would do it but didn't have the money either. Hoever we have but 1 connection in the 12 group and only 1 from the 24 group which was no help to us at all.

What is going on with your health? that doesn't sound good. What are they saying is going on and is it temp or permanent?

We have had snow on the ground since the middle of Nov and still have some days ahead they say snow. More then we have ever had in a winter. So far no ice but are saying we might get freezing rain and ice today. Which not looking forward to at all.

Best Wishes,
Gladys

So the chances of actually finding out something concrete from a DNA test aren't always very good? That doesn't sound like a good buy for our money! I wish there were a lot more of us willing to pool our money for the test, but even then the results might not give us anything. I do think one thing going for us... the Russell family was very well researched by George Ely Russell, the genealogist guy. Too bad he died or we could e-mail him and see what he had on Winslow. I read that he donated all of his Russell family stuff to some genealogical library in Maryland. I sure wish I had the money to travel there and just see what I could find.

I didn't realize I had never told you all of the details of my health problems. Actually I'm in great health, I'm just partially paralyzed. In 1981 I was in a terrible accident where I worked. I was living in Pocatello, Idaho at the time and worked for a company that manufactured beer malt. I had majored in

chemistry and pre-pharmacy in college at Kirksville, which is how I ended up being what they call a "maltster". I was in an area where the germinated grain drops down into an auger and my clothing got caught on a bolt on a turning drive shaft. It pulled me into the slow turning drive shaft and wrapped my clothing around it as I kept going around the thing. There wasn't much room between the horizontal shaft and the covered auger below, and the steel handle on the auger cover did a lot of damage to my ribs. I had tried to brace myself, but my left upper arm broke and I actually blacked out. I very clearly remember dying and going up into a golden glowing light where I saw a circle of people (ancestors more than likely) with my grandfather Arthur Sutton standing at "noon". As I got close he motioned me back and I kept saying, "I don't want to go back... I don't want to go back..." and I woke up. I was laying face down on the concrete with nothing left on but my bra and my boots. My left arm was broken and bent at a weird angle behind and above me, and I couldn't move from the chest down, so I knew I was paralyzed. It was during the swing shift and there were only two of us working and the other guy was in a completely different area of the plant. Thankfully one of the company execs had what he explained as a revelation from God. He said a voice came to him and said that something was wrong with me. He drove out to the plant, and he & the other guy started looking for me. They almost missed me because I had blacked out again and was behind the machinery. As they turned to close the door my clothing flipping around the drive shaft caught someone's eye and they discovered me almost dead. That night at the hospital the doctor's said I probably wouldn't live through the night, and if I did I would be completely paralyzed from the chest down. That was on Sunday October 25, 1981. I had broken three vertebrae, eight ribs, and my left arm; both lungs collapsed, I had contusions to my heart, pancreas, and liver; and every capillary in my face and eyes had exploded from the pressure my clothing (including a 'fireman' type rain suit) exerted on my body as it was twisted off of me. The pain was so horrible while I was laying in the intensive care unit and not even a morphine drip helped. On Wednesday night, after my family had left, the nurses pulled the curtain around my bed in the I.C.U., and I just cried. I remember asking God why he was doing this to me and it dawned on me that when Christ was dying on the cross he had asked why God had forsaken him. I prayed for Christ to take away the pain so I could sleep. At that moment I saw Christ appear and he cradled my broken body in his arms with tears in his eyes. I slept for the first time and when I woke up on Thursday morning I could move the toes on my right foot! The doctors couldn't explain it... except my neurosurgeon, who called me a miracle. The only explanation is that God healed me, but left me just enough of a handicap that I wouldn't be proud and forget. 🙂

Just think... one or more of those people in that circle I saw in heaven was probably a Lowe ancestor! I think one of the reasons I'm so obsessed with finding out who my

ancestors were is because of that vision. I hope the next time I see them I can call them all by name!

Hi Gladys!

Yes, I have been on and off with the Geneology. I love when I have the time to do it as much as I can but starting last May... I broke 6 of my ribs and had to mend from that. I decided to loose some weight and in July joined a woman's gym and weight loss program so I have to squeeze all other activities in around my work schedule and the gym which makes for a pretty full schedule. The good news is that I am now 60 lbs (yes) lighter than I was then and dropped from a size 22 pants to 10s.

I have been working on my Father's side... the Carter family from VA that went to Tennesee after the Revolutionary War. I had very little to go on but it has been fun and again I have connected with other relatives who also thirst for the answers to many family line mysteries.

My email and home addresses are the same. We still live in Virginia Beach and my Mom, Aleta Jewell Baty will be visiting me later this month. She is now 88 and plans to come from Minnesota where I grew up (same house). I hope I can keep her busy enough.

In my spare time (haha) I have been helping my daughter look for a place to buy in West Virginia. She will transfer from the Grady Hospital in Atlanta, GA to cover 3 hospitals in Charleston, WV. Last year, while mending from the injury I helped our son, Eric look for a place that he could have a horse and a not so crazy commute to Washington DC where he lives now. Our oldest son, Nathan, is married to Emily and they live here in Va Beach about 8 miles from us. Kids sure keep one busy even as adults.

I would love to see the family listings on Find a Grave. Please pass them on and I will be very grateful. Hope this finds you doing well with plenty of time for your passion of Geneology.

Miss hearing from you, Gladys.

Much love, Lois

Hello, Gladys!!

Merry Christmas to you also!

I have been working on the family tree, of course, having to move to the Bennett side of the family. (Meaning Tryphena and Sargent Bresee's daughter, Tryphena who married George Bennett.) I was fortunate to meet another cousin who live in Richland Co WI who has several pictures of family as he inherited them from his Grandmother. So far none have been found of Louisa Russell but even though it is not his direct relative, Andy is trying to make a trip to Madison for me to get a better copy of her death certificate. I have the one that you have sent and it is missing the edge so we must guess at the wording. He is so into this and has added several pictures to Find A Grave for the Bennetts. He also works wonders finding old newspaper articles and loves sharing them.

I finally got a picture of my Great Grandmother, Louisa Almeda Bennett, Grand daughter of Louisa Russell and daughter of Tryphena and Sargent Bresee. I will attach a copy here.

Hope all is going well for you.

We are doing okay, at least as good as can. I still have things to put away in new condo but no hurry . Just glad it only took 4 months to sell my house as I was worried that might go into the winter but with luck it didn't. I have been here 7 months but sure doesn't seem like it.

Subject: Pepper/ Revolutionary War

Good Morning, Gladys!

Just hurrying this morning. I thought I had your phone number but can't locate it before I rush off to work.

I was up late last night as I finally found some Peppers that were at Bennington for the Revolutionary War. I have always wished I could find a link between Simeon Pepper who shows up everywhere with the Revolutionary War. He clearly was not at Bennington. I believe that all of the info you have from your Colorado source is accurate with that exception of Barnabas's son's birth. To that end I have been pursuing the Pepper name tirelessly with any tie to the Revolutionary War. There are Peppers from Braintree, MA, In the Massachusetts Soldiers and Sailors of the Revolutionary War, VOL 12 p 130 and 131 there are Peppers mentioned. It states that Pepper has several spellings represented. Though upon close examination the Pepor and Paper and Peper had only one or 2 entries and each stated the service record. Non of them stated Bennington. Under PEPPER, I was able to find Jacob Pepper Sr, Jacob Pepper Jr and Joseph Pepper all of New Braintree, MA (LIKE SIMEON IS) Jacob JR and Joseph were at Bennington on Aug 1777.

Just haven't had time to dig here and match up dates and I will. The 3 are related to each other. I think the sons are brothers to Simeon. They all appear in a linage of descendants of Robert and Elizabeth(Johnson) Pepper. Simeon Pepper born 1754 in New Braintree Ma even has a daughter named Tryphena. who died at age 15. I need time to research to see how Sarah Jane Potter could fit into this Pepper family.

So far just speculation here but I want to see if one of the sons above or even the Dad could have died in the Revolutionary War. So much fun digging.

Hope this finds you fine and enjoying the beautiful fall colors of Iowa!

Please write when you get a chance. I love to hear how you are doing and keep in touch.

Sincerely,
Lois Baty Schultz

he and Winslow Russell were both living in Hoosick, New York. In that census Winslow and Rachel had one son and three daughters under 10 years old.
I sent an e-mail to the North Royalton Cemetery in Cuyahoga County, Ohio asking if they had any records of the burial date for Rachel and Dorcas Russell. I found a record for the Shaker Church in Cuyahoga County where they talk about "Eldress Rachel Russell". I wonder if our ancestors were Shakers (what ever those were/are).

Hi Deb,
Just wondering if you heard back from your e-mail to the North Royalton cem? I was thinking of writing then couldn't find the zip code then thought of calling then didn't have the number right away then decided to wait and see if you heard anything back from then, then may try the library there to see if can find out anything. I really think that is our Rachel Russell but think it is her daughter Dorcas as we have all the children Rachel and Winslow had except the last one that was with her in Oneida Co. NY. I know my Russels were in Cauyoga? Co.OH at one time after leaving Washington Co. NY.

Let me know what you hear if anything and maybe will have to try something else to find the info on who is on that stone.

I did hear back from the North Royalton Cemetery. They don't have records for who she was or the date of her death. I found another mention of Rachel Russell online in some history of the Shaker church in Cuyahoga County. Evidently she was an eldress in the church. I found a website that has the history of the church and she is mentioned as being the "Eldress" of the east community. This was where they educated all of the children of the Shaker Church members. I need to call the museum and see if they have any information on her.
http://www.shakerhistoricalsociety.org/
Do you know what religion the other members of our Russell family were at that time? If they were not Shakers perhaps they separated because she joined that particular faith. I've been in touch with another Russell descendant. She is a great-great-great-granddaughter of Mary Russell Moon. One of these days we all need to get together somehow and compare all of our findings. I will try to call that museum after Thanksgiving. I'm having dinner at my house and I've got tons of stuff to do this week to get ready. I hope you have a wonderful Thanksgiving. If I'm correct about the lineage of Winslow Russell (that he was the great-great-grandson of the pilgrim Peregrine White), it will be a much more meaningful Thanksgiving from now forward for me. From what I've been able to glean from several different family trees I'm led to believe we may also be descended from John Alden and Priscilla Mullins. Judith Penney (wife of Barnabas Russell) was the daughter of John Penney and Elizabeth (Delano) Penney. Elizabeth Penney's parents were Jonathan Delano, Jr. and Elizabeth (Winslow) Delano. There are many family trees out there for the Delano family that show their descendancy from John and Priscilla (Mullins) Alden, who also came over on the Mayflower. The fact that Judith (Penney) Russell's grandmother's maiden name was Russell is another reason Barnabas and Judith might have named their son Winslow Russell. I was talking on the phone the other day with a friend who has a degree in history from MU. I told her about Winslow confessing to selling horses he didn't own (basically being a horse thief) during his statement at the trial. She said that it would make sense that the family "wiped the slate clean" of him after he was hung. It was considered very shameful to be a horse thief back then, almost as bad as being a convicted murderer. One of these days we will get to the bottom of this!

A cousin on my mom's side sent me an e-mail recommending that I watch a new show on PBS called Genealogy Roadshow. After watching all of the episodes I decided it might be beneficial to get our Lowe ancestry search on the show. I'd especially like to find out for sure if Rachel Mariah Russell Lowe's grandparents were Winslow and Rachel (Cronkhite) Russell. After we prove that one it would be great to be able to find out who his parents were. It is likely that the reason there is no information about him is because of the shame the family must have had to deal with after he was tried, found guilty, and then hung.

I went to the website for applying to be on the show and filled out all of the questions except the last one. They asked if I have my family tree on a GEDCOM file. I do not have that and wonder how you "get one". I'm guessing it costs money... which I don't have a lot of. LOL! Have you put the Lowe information on a GEDCOM file? If so, is it a very complicated process?

Hi Deb,

I watched that series as well and was very interesting, Just like History Detectives was very interesting but they like something that goes back to a famous person but Gen. Roadshow wasn't that way I don't think.

A Gedcom file can be made right from you computer from the file of your Russell or Lowe files. I had done it long time ago and haven't since so can't tell you how to do it but anyone that does know computers could help you and all you need is the CD to put it on and mail to whomever so no expense really. Sorry I can't remember how to do it. You can ask google and they may even be able to tell you just what you have to do.

Good Luck,
Gladys

About Silas Moon & wife Mary (Russell) Moon -

My mother was born Jan 4th 1897 and she died 1991. Her mother was Amy Sarah (Moon) Emmerton. She, Amy, came to live with us in her very old age. We were not close. She wanted to boss me around and I didn't go for it. My parents could tell me what to do, but not this grandmother.

Amy had had a very difficult life. Her mother died when she was born. She was raised by her older sister and then by a stepmother. All the family items went to the stepmother and her son. Amy married Arthur Emmerton. - she had my mother and a son. The son died and her husband was killed in an accident- all by the time my mother was 4 years old.

My mother told me a story which pointed out the stepmother was really very kind. She took in her unlaws (Silas and Mary Moon). One night Mary got up from the dinner table, opened the window and threw her food out the window. Mary said the chickens are hungry. The stepmother did not get angry - she reseated Mary and got her another plate of food.

Silas and Mary Moon - were in their 80's when they came to live with William and his family. I have seen their graves - it say Grandma and Grandpa. I had pictures, but I can't find them. I doubt there is an obit.

I will have to give Silas and Mary more thought.

Only Silas Moon 1830 called Silas Moon 2nd Silas Moon his uncle & Silas Moon Jr was a census

Answer to Mary Info

Hi Mary,

I was just sure since Silas and Mary died in the late 1880's we would find their death certificates since most counties in WI were so good about keeping those records from early on. Look how good Grant Co. WI was, even though we didn't find Sarah Jane Potter Russell's death there. I haven't given up the idea that she was living with another daughter out of Grant Co. that we haven't been able to locate as yet. Louise Bresee obit listed a sister still living and we don't know where or which one this is for sure. Believe it said Ft Dodge but have checked census for that area and found nothing and also around Des Moines believe there was a Ft Dodge camp and checked there as well and still found nothing. Besides there being a Ft Dodge in Nebraska which haven't checked if I remember right.

So you got their (Silas & Mary) death dates from their cemetery stones and from what cemetery was that?

Haven't located her (Sarah) in the 1880 census index anywhere or the sister either so at a standstill here for now. Nor have located the missing daughter and family either.

Believe did locate Dorothy Russell Van de Wall in Dubuque Co. IA in one of the census then lost them completely again and didn't locate them in the 1880 census index so was maybe the 1870 census that I had located them.

(1) Going back Louisa Jeanetta Brezee obit stated she was born in New York Mar 1819 and died 27 Apr 1903
and that obit said she was oldest of twelve children with 3 living. One brother, Barney Russell living and one sister of Lancaster (was Jane Van de wall) and the other sister of Ft. Dodge, last two not able to attend.
The living sister could have been Dorothy Van de wall or Phoebe Bresee as don't have death dates for either of them.

(2) Rachel Mariah b. 23 Sep 1825 New York d. 11 Dec 1900 without an obit.
(3) male Russell 1825-1830
(4) male Russell 1825-1830
(5) Jane Ann b. 20 Dec 1829 Cuyohoga Co. OH d. 24 Sep 1906, obit of her.Did not list siblings.
(6) child Russell
(7) Dorothy b. abt 1834 Oh d. aft 1870
(8) Phoebe Armitta b. ca 1836/37 OH/IL no death info. (last in Grant Co. 1870 census)
(9) Sylvester W. b. ca 1841 OH d. 8 Dec 1861 Washington DC. buried Arlington cem.
(10) Julia Elizabeth b. 5 Sep 1842 Coles? Co. IL d. 3 Feb 1893 death cert. no obit located
(11) Sarah "Rebecca" b ca 1844 Grant Co. WI d. 1871-1873 there. Not located death info (but husband md 2nd by 1873 and they were last in 1870 census.

1846 Central WI Territorial census listed one James S. Russell 5-3-0-0 and one James Russell 2-3-0-0 (again didn't write code as probably thought would remember?) 2nd one maybe James W.

Since we don't have a wife for James F. as M.J. and not sure if and when he divorced Sarah J. to marry Rebecca 1883. Since all marriages were in Grant Co. WI. But didn't locate this James after 1870 in Grant Co. WI. Only one close to right age was the one in SD.
Info on 3rd marriage record stated James L. was living in Running Water, Bonhamme Co. SD at 1883. and married in Boscobel, WI.

I found a genealogy file on Emmor Bassett Potter. I have emailed the person that has the file. He has the second wife, which is Sarah Catherine (aka. Kate), and all of their children. He also lists Unknown Greathouse as the first wife with children Lewis, Rose, and Fern. I found Fern Potter in the 1910 census in Helt, Vermillion, Indiana, b. MO, f. IN, m. MO, age 19 living as a servant in the Cash W. Davis household.

Dear Gladys L. Treadway,

Enclosed is two of the five dollars you sent with your letter requesting a search for an obituary on Louisa Brezee.

I checked both papers - The Weekly Teller and the Grant County Herald through the end of May 1903. I was unable to find an obituary for her in either paper.

Have you contacted the Wisconsin Room at the Karrmann Library? Perhaps they could find it in the Cassville Index or the Wisconsin State Journal. At times I've found obits in the State Journal when they wern't in any local paper.

If you don't have an address for the Karrmann Library I've enclosed it below.
Wisconsin Historical Collection - Karrmann Library - University of Wisconsin - Platteville, WI. 53818.

I think Ft. Dodge is in Iowa, I don't know of another.

Good luck, I can see how frustrating the copy you have must be.

Sincerely,

Eleanor L. Wenzel
